PROGRAM DIRECTOR Paramedic Training

State Technical Institute at Knoxville is seeking applicants for the position of Program Director, Paramedic Training, a tenure-track appointment available immediately. State Tech is a two-year technical college located in the Knoxville metropolitan area with an enrollment of 2,500 students.

The program director has both teaching and administrative duties. Administratively, the director is responsible for planning, budgeting, curriculum development and revision, program evaluations and accreditation, and articulation with hospitals and other institutions of higher learning.

Applicants should (1) possess a bachelor's degree (or be a graduate of a diploma nursing program), be a registered nurse, and have experience in critical emergency care. Teaching experience and pre-hospital (ambulance) experience is preferred.

(2) possess a bachelor's degree and be a paramedic with clinical experience. Teaching experience is preferred. Salary will be commensurate with qualifications and experience.

Nominations and applications, preferably including a current vita and the names, addresses, and telephone numbers of three references, should be received no later than February 15, 1986 at the following address:

Personnel Office
State Technical Institute at Knoxville
PO Box 19802
Knoxville, TN 37939-2802
(615) 584-6103, Ext. 339
