Memorial Fund Reaches \$10,000

The Rev. Rodney Page, Executive Director of Ecumenical Ministries of Oregon, announced today that the memorial fund for the children of The Rev. John Garlington had reached \$10,000. The Rev. Garlington, pastor of Maranatha Church in Portland, and his wife, Yvonne, were both killed in a tragic automobile accident in Florida.

The Rev. Garlington was due to be installed as the 69th President of Ecumenical Ministries on January 26th at the annual meeting of E.M.O.

Persons wishing to make contributions to the Garlington Memorial Fund can still do so by sending their contributions to Ecumenical Ministries of Oregon (marked "Garlington Fund"), 0245 S.W. Bancroft, Suite B, Portland, Oregon 97201.

The Rev. Page also announced that the efforts of E.M.O. and others to re-name the Steel Bridge the John Garlington Memorial Bridge has been met with positive response by the railroad and that there is the possibility that a dedication ceremony renaming the bridge could be held at that time. Rev. Page indicated that there are several parties that need to agree but that there is a good possibility that agreement can be reached. The Steel Bridge, unlike the other bridges across the Willamette River is owned by two railroads, one of which is currently engaged in merger conversations.

The Rev. Page indicated his delight and gratitude in the initial positive response and hopes that agreement can be reached before the Steel Bridge is reopened sometime this summer.

Obituary Willie B. Johnson

May 3, 1934-Feb. 5, 1986

Willie B. Johnson, a Portland resident since 1943, died Wednesday February 5, 1986 in Oakland, California of a massive heart attack. He was 51 years of age. Funeral services were held at Mt. Sinai Baptist Church, N.E. 6th and Prescott Street, at 9:45 a.m. on Saturday, Feb. 8, 1986. Interment in Rose City Cemetery.

Mr. Johnson was born in Clarks, Louisiana to Mr. and Mrs. Edward Johnson on May 3, 1934. During early childhood he helped his Grandfather, Mr. Ecker Burns and his Father, Edward Johnson build picket fences using his small hammer with them using their professional tools. Willie was a creator and a builder. He was concerned about the welfare of others — always lending a helping hand.

During Willie's years at Benson High School he was an artist and a craftsman. He worked part-time after school for the Cartozian Carpet Company, which was the beginning of his retail carpet career. The years that followed consisted in Willie advancing to a carpet installer, teacher, private business owner, and reweaver of Oriental rugs.

Willie also worked for the Swan Island Iron Works as an electrical installer.

As the eldest of 10 children, Willie was a role model and family leader.

Willie was the father of two daughters and one son; Julianne Rebecca Johnson, Tiffany Johnson, and James Rutherford. He was a very proud father, always speaking highly of his children.

Willie's spare time was spent practicing music and echoing his base voice throughout the house. His favorite songs included, "Precious Lord", and "Without a Song".

Willie was well known in the community and was loved by his family and friends.

The family acknowledges and extend heartfelt thanks to all who sent sympathy mailgrams, letters, cards and prayers.

Will Your Bank Give You A Credit Card? Our's Will.

MasterCard

Guaranteed Regardless of Credit History
In fact over 95% of our applicants are approved. Divorce, Bankruptcy, bad credit or no credit won't disqualify you from enjoying the prestige and conveniences a credit card provides.

Through our UNIQUE program, Office To Go, Portland, represents financial institutions looking for new customers. One of the best ways of attracting new customers is to give them a free gift. Rather than give you a mixer or cash bonus—something you may or may not use, our institution gives you something you need.

How The Program Works
Simply open an interest-bearing account with \$300 or more for each card with the card-issuing institution. It's federally insured and pays 5% interest. The opening balance will determine your initial credit limit. (You can increase your limit at any time by adding to your savings account—up to \$2000 per card.) After 12 months your credit card account will be reviewed. If your payments were made in a timely fashion, the savings account requirement may be dropped or your credit limit increased. So you can close the savings account and keep the credit card.

How to Get Your Mastercard or Visa
Simply fill out the form below and return it to us. You must be 18 or older. The fee covers one or both cards and is refunded if your application is rejected. We will arrange to have a final application sent to you if you are self-employed or are a full time student you will then be billed a fee of \$25 for the additional processing your application requires. When you return the final application, you will receive a signature card to open your savings account with a designated savings and loan. Your deposit will be made directly to the savings and loan institution. This federally insured account pays the usual 5% interest.

Get Instant Emergency Cash
As with any Visa or Mastercard credit card you can get a cash advance at any one of thousands of banks worldwide. You won't be tying up the money you may need because you'll find that money is even more accessible to you than it is in your present savings account.
