WILLOW LAKE WASTEWATER TREATMENT
PLANT
GRIT REMOVAL AND SOLIDS HANDLING
EXPANSION (PHASE 1)
PROFESSIONAL ENGINEERING SERVICES**

RFP #1022

**City of Salem, Oregon
Department of Public Works**

The City of Salem Public Works Department is currently seeking the services of a professional engineering firm to provide services for the grit removal and solids handling expansion of the Willow Lake Wastewater Treatment Plant. These facilities are identified as the Phase 1 Solids Expansion in the "Plant Expansion and Construction Phasing" report, prepared by Brown and Caldwell Consulting Engineers, January, 1986.

Detailed information packets are available at the office of the City Purchasing Supervisor, 1340 20th St. S.E., Salem, Oregon 97302, telephone: (503) 588-6136, weekdays between the hours of 9:00 a.m. and 5:00 p.m.

Technical questions regarding this proposal shall be submitted to:

**Paul L. Eckley, Plant Engineer
Willow Lake Wastewater Treatment Plant
5015 Windsor Island Road, N.
Salem, Oregon 97303
Telephone (503) 393-3806**

TIMING

It is anticipated that the request for proposals of interested firms can be received, evaluated, and a recommendation for selection can be made to the City Council by July 7, 1986. With this timing the Consultant could expect an executed contract by August 1, 1986.

sealed proposal for professional engineering services will be received until 5:00 p.m., June 9, 1986, and should be addressed to:

**City of Salem
Ramona Hudson, City Recorder
555 Liberty St. S.E./Rm 205
Salem, Oregon 97301**

Please submit six (6) copies of the proposal in an envelope marked "Willow Lake Grit Removal and Solids Handling Expansion Project-RFP#1022" to the City Recorder's Office, 555 Liberty St. S.E., Room 205, Attention: City Recorder, by the close of business, June 9, 1986.

**REQUEST FOR PROPOSALS
(RFP)**

The Portland Private Industry Council, a private non-profit corporation is seeking effective training programs for low income City of Portland residents. The training must meet the current employment needs of local business and industry and the approved Private Industry Council performance standards.

Vocational skills training for high demand occupations, industry based customized training and proposals that provide specific training and employment services for special populations unable to access and benefit from conventional training programs are now being solicited.

Funding is provided under the Job Training Partnership Act (JTPA) for the period July 1, 1986 through June 30, 1987. Proposals will be accepted on an on-going basis. A pre-proposal packet may be obtained by calling (503) 241-4600.
