

NOW YOU CAN GO TO VO-TECH SCHOOL WITH MORE THAN JUST ENTHUSIASM.

If Vocational-Technical school is in your future, you ought to check out the G.I. Bill Plus the Army College Fund. Because with it, you can earn money to help pay for your education. Up to \$25,200, if you qualify and enlist. Here's how...

First you contribute to your education—\$100 per month for the first full 12 months of your enlistment. Then the government contributes up to \$9600. That's the G.I. Bill. With the Army College Fund, you can add up to \$14,400 more! Adding up to as much as \$25,200, by the end of your four years, toward additional technical training at an accredited Vo-Tech school.

Of course, exactly how much

you earn will depend upon how long you serve and which specialty you qualify and enlist for.

That's not bad. Money for Vo-Tech school after you serve, as well as the Army's high-tech training while you serve.

And when you enlist, you'll get more out of the deal than just money! You'll learn self-reliance, discipline and be in the best physical shape of your life. You'll also get the chance to travel and meet new people.
