EBONY AND IVORY Professional Society

Our objective is to encourage new professionals and more experienced professionals to meet in a social setting for the purpose of becoming acquainted and exchanging ideas, information, and professional know-how. Through the resulting exchange, new professionals will gain added insight into the practical application of their professional knowledge. With your help, we hope to be able to reconcile some of the differences between college theory and practical application. We anticipate an enjoyable and fun-filled evening. The meeting will be held August 22 at 7:30 p.m. at the Officer's Club at the Air Base. For more information, call 230-5816. Ask for Bruce.

Paris Texas High School Reunion

More than 600 former residents of Paris, Texas returned for the Gibbons High School Reunion, July 4 through 6. Meetings, dinners and other activities were scheduled so that former school mates could visit, renew friendships, recall old times and memories at Gibbons High. On Sunday, July 6, church services were held at the Paris Junior College, to accommodate the large attendance. Some of the visitors attended their former churches to worship with family and friends. The following Portland, Oregon residents traveled to Texas for the reunion: Mr. Lonny Wilson, Mrs. Mary G. Savage, Mrs. June Key, Mrs. Margaret Solomon, Mrs. Namoi Offord, Mr. Samuel Cole, Mrs. Dorothy Bryant and Mrs. Perlene H. White. Everyong in attendance agreed that the Reunion Committee and organizers did a good job to coordinate and notify former residents of the details of the reunion. We are looking forward to the next event.

(From left to right in photo) Frank Valdes, Director, Office of Labor Relations: First Hispanic to be appointed to this post nationally; James E. Brown, Director, Office of Fair Housing and Equal Opportunity: First Black, Reagan Administration appointee to the position charged with enforcing Fair Housing and Equal Opportunity laws; William Y. Nishimura, Regional Administrator—Regional Housing Commissioner: First Asian HUD Regional Administrator in the United States and first top management Asian HUD executive in Seattle; Jerry Leslie, Director, Office of Indian Programs: First Native American (Chickasaw Tribe) to head Region X Indian Program operations.

Actions Speak Louder Than Words!

Recent Reagan Administration appointments in the Seattle Region X office put action to the words "Equal Opportunity Employer." Appointees, all minorities, have responsibility for HUD operations throughout Alaska, Oregon, Idaho, and Washington — and all bear the title of "first." Oh, yes—there is one other "first." HUD Regional Administrator, William Y. Nishimura, was the only federal official on the West Coast to receive a Distinguished Executive Award from the President of the United States, Ronald Reagan, December 1985—for superior performance in managing HUD's Region X operations. We think there is a "difference" at HUD. Don't you?
