**AFTERGLOW**

I'd like the memory of me to be a happy one,  
 I'd like to leave an afterglow of smiles when life is done,  
 I'd like to leave an echo whispering softly down the ways,  
 Of happy times and laughing times and bright and sunny days,  
 I'd like the tears of those who grieve to dry before the sun;  
 Of happy memories that I leave when life is done.

**A an A Hawaiian Day Fund Raiser Held**

BY Jerry Garner

More than 100 people attended the A an A Hawaiian day fund raiser held last Sunday at the home of Mr. and Mrs. Henri Johns. The event was sponsored by the Acacih Lodge and ADAH Chapter, which are a part of the Prince Hall Grand Lodge.

Those who attended the fund raiser, which included State Senator William McCoy and his wife Gladys (who is a candidate for Multnomah County Chair), were treated to a Hawaiian type atmosphere.

Each visitor at the event was given a Hawaiian lei. Men and women at the fund raiser wore a variety of colorful attire, creating a spectrum of radiant images.

The Johns have hosted the fund raising event for the last three years. Mrs. Francis Johns called the event a success. She said those who participated in the event were giving to a worthwhile cause.

A variety of food and refreshments were sold during the fund raiser. All proceeds from the event will be used to provide scholarships for African-American students and food baskets for the elderly needed during Thanksgiving and Christmas.

Mankind was matchless until the friction match was invented in 1834.

The lodges also sponsor an annual Easter egg hunt.

**E.M.O. Forms Prostitution Task Force**

Ecumenical Ministries of Oregon has organized a Task Force on Prostitution. Their goal is to explore the nature of prostitution in Portland and develop an ecumenical policy which includes a theological and action-oriented components.

EMO Task Force is requesting neighborhood input. Please come help the churches answer the question regarding prostitution: What do you want the churches to help you with?

The meeting is scheduled for Thursday, August 21, 1986, at 7:00 p.m., at the Kind Neighborhood Facility, 4815 N.E. 7th Avenue.

**Drug Houses**

The growing number of drug houses in North/Northeast neighborhoods is of serious concern to our community. Our office has received daily calls from citizens wishing to report new locations of drug houses. We recently submitted our list of drug houses to the Police Bureau. North Precinct has since agreed to keep a list for citizens to report known neighborhood drug houses and street dealing locations. It is extremely important for citizens to have accurate information on the specific address and on descriptions of people and vehicles that are seen regularly at drug houses.
