

PUBLIC NOTICE

In accordance with the implementation of Sub-part D of Section 105 (f) of the Surface Transportation Act (STAA) of 1982, each recipient State is required to submit its overall goals to the Federal Highway Administration (FHWA) and the Urban Mass Transportation Administration (UMTA) before the beginning of the new Federal fiscal year.

Additionally, the FHWA and UMTA require each State receiving Federal Highway funds to publish a notice announcing these goals, to be available for inspection 8:00 a.m. to 5:00 p.m. at the Washington State Department of Transportation (WSDOT) for not less than 30 days. WSDOT will accept comments on goals until October 27, 1986. Written comments should be submitted to: Maurice Alexander, Manager, Office of Minority Affairs, Department of Transportation, Transportation Building, Olympia WA 98504.

This communication will serve as notice of WSDOT's 1987 annual goals at 10% for disadvantaged business enterprises and 3% for women's business enterprises for Federal projects.

The method used to establish the goals included past historical experience and the requirements of STAA (Section 105 (f) regarding disadvantaged businesses.

University of Lowell Libraries

REFERENCE LIBRARIANS I OR II

The University of Lowell Libraries are seeking three additional Librarians to accommodate a three-fold increase in acquisitions, planned expansions of two main libraries, an additional library building, upgrading and development. Reference Librarian I or II; subject background or experience in music highly desirable. ADVERTISEMENT FOR BIDS

Sealed bids for Law Building No. 30 Energy Conservation Measures (ECM's), USDOE/ICP, will be received by the Oregon State Board of Higher Education at the University of Oregon Physical Plant Department, Conference Room 2, 1295 Franklin Boulevard, Eugene, Oregon 97403, until 2:30 p.m. PDT, Tuesday, October 7, 1986.

Briefly, the work includes the implementation of ECM No. 1, described as follows: Convert air handling units to V.A.V. to provide new variable frequency fan motors and controls, and new air volume valves to each zone. Provide a central controller for temperature control, and programmed time switching.

For more information, contact Physical Plant, U of O, phone 686-5243.

REQUEST FOR PROPOSALS

The Hazardous and Solid Waste Division of the Department of Environmental Quality (DEQ) invites bids for an interdisciplinary recycling education curriculum for grades K-12 to teach basic waste reduction principles practiced in Oregon. Successful bidder will be familiar with the Oregon educational system and have expertise in curriculum development. A knowledge of waste reduction and environmental practices is preferred. Proposals will be selected on a content and cost competitive basis, with total amount not to exceed \$20,000. Deadline for proposals is 5 p.m., Monday, October 13, 1986.

Call Alene Cordas
229-6046

for a copy of the request.
