

EDUCATION

EQUITY SPECIALIST

Level 9

Center for Sex Equity

The Northwest Regional Educational Laboratory has funding from the U.S. Department of Education to operate two Sex Desegregation Assistance Centers serving the Northwest (Idaho, Oregon and Washington) and Alaska. The Centers provide training and technical assistance to aid school districts in providing equal opportunities for male and females in educational programs and employment practices. The Center also has funding through the Women's Educational Equity Act (WEEA) to develop materials for mentoring programs for high school students and to develop equity resource displays for K-12 schools.

QUALIFICATIONS:

- Master's degree in education or a related field.
- Experience in developing training activities in equity areas.
- Experience in delivering training and technical assistance in equity areas to school personnel.
- Ability to communicate effectively with SEA and LEA personnel.

fectively with SEA and LEA personnel.

- Commitment and sensitivity to sex equity issues.
- Knowledge of strategies for effecting change in educational systems.
- Classroom teaching experience preferred.

SALARY: Annual salary range \$23,729-\$25,000 depending upon prior experience and qualifications.

APPLICATION: Resumes and applications must be received in the Personnel Office by 5:00 pm, September 29, 1986. Interviews will be conducted after initial screening. In letter of application, please indicate the position for which you are applying.
