Homecoming Celebration in Recognition of 97th Anniversary

The Bethel African Methodist Episcopal Church has scheduled a Homecoming Celebration Sunday, September 28, 1986.

The Church was first organized in 1889 in the home of one of its twenty members. Worship services were held in several sites throughout the City before a permanent location at North Larabee and McMillan was obtained. Worship services were held at the Larabee site for forty-five years at which time it was purchased by the City to build the present day Memorial Coliseum.

The present edifice is now located at N.E. 8th and Jarrett. It is the second oldest Black Methodist Church in the city of Portland with a membership of nearly 700.

The Homecoming festivities will be an opportunity to commemorate the church's 97 years of christian service in the city of Portland.

The Reverend A. Lee Henderson, one of the former Pastors, who now serves as Secretary-Treasurer of the Sunday School Union of the African

Methodist Episcopal Church will be the featured guest. Invitations have been extended to Local Churches, City, County, and State Officials.

The Celebration will be held at the Bethel African Methodist Episcopal Church which is located at 5828 NE 8th Avenue, Portland, Oregon. The schedule for the day is: 11:00 am — Worship Service, 3:30 pm — Culmination of the Celebration. Join the Bethel family in the Celebration of this joyous occasion!

Mr. & Mrs. Mahlon Stone, Chairpersons.

Services Offered to Outpatients

Enterostomal therapy services are now being offered to outpatients as well as inpatients by Meridian Park Hospital's Enterostomal Therapy Department. The department is open Tuesday through Friday from 7:30 a.m. until 4:00 p.m. and scheduling is by appointment only.

Department services are coordinated by Pat Robbins, R.N., Enterostomal Therapist. "Patients require a physician's order to access these services," said Robbins. Services are for people with ostomies or incontinence problems including teaching and evaluations. "Many of the services provided by the department are covered by insurance providers, she added, and in many cases 80-100% of the ordinary fees are covered."

For additional information about the enterostomal therapy department or the services provided, contact Pat Robbins and the Tualatin hospital.
