Purchasing Section

PBDC, a joint venture of Parsons, Brinckerhoff, Centec, Inc. and DeLeuw Cather & Company, leaders in the field of transportation engineering, has IMMEDIATE opportunities for qualified individuals to join our staff of general engineering consultants to the Dallas Area Rapid Transit Authority.

FACILITY PLANNER

Degree in Transportation Planning or related field with minimum of 3 years experience. This individual will assist on the analysis and development of alternative rail alignments and sight specific station planning.

PLANNER II

Bachelor's Degree in Planning or related field with 4 years related experience. This individual will acquire and maintain traffic data files, as well as project and analyze vehicular traffic volumes and parking demand at rail station sites based on patronage projections.

TRAFFIC ENGINEER

The ideal candidate will possess a BSCE with a minimum of 8 years of practical experience. This experience must include 4 years of traffic design and signalization in addition to performing traffic studies and reviewing highway plans for traffic impact.

We offer a competitive salary and a comprehensive benefits package, including relocation assistance. For prompt consideration, forward a resume with salary requirements, to: Personnel Department, 601 Pacific, Suite 230, Dallas, TX 75202.
