

CONSTRUCTION OF STORM SEWERS
AND OTHER NECESSARY STRUCTURES
COMBINED SEWER OVERFLOW BASIN 4A

PROJECT 12900

NOTICE FOR BIDS

This project includes, but is not limited to, installation of approximately 33,250 linear feet of main line sewer pipe, approximately 108 manholes, the reconstruction of catch basins using approximately 4,250 linear feet of pipe, and the reconnecting of approximately 770 linear feet of live side sewers.

The City Clerk will receive sealed bids until 9:30 a.m., **January 22, 1987** for the above project located in Spokane, Washington, in accordance with plans and specifications on file in the office of the Public Works Director, Skywalk Level, Municipal Building, West 808 Spokane Falls Boulevard, Spokane, WA 99201-3343; telephone (509) 456-4300. The bids will be publicly opened and read immediately following in the City Council Chambers. Copies of plans and specifications are available at the Public Works Department upon payment of sixty dollars (\$60.00).

The City of Spokane ensures that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, sex or national origin in consideration for an award. Minority hirings are provided for in contract specifications.

Bids for this project are invited from minority group contractors who have been prequalified; however, all prequalified firms may compete.

Bids shall be submitted on unit price basis on the forms provided, in accordance with the provisions of the specifications. Bids containing unrealistic bid prices may be rejected. Bids are to be filed in accordance with the charter and ordinances of the City of Spokane, and shall be addressed to the City Clerk.

A certified check, cashier's check, cash or surety bond in the sum of 5% of the Total Amount of Bid must accompany the copy of the bid filed with the City Clerk.

No bidder may withdraw his bid after the time set for the opening thereof, unless the award of contract is delayed for a period exceeding sixty (60) days. The City Council reserves the right to reject any or all bids submitted. Unless all bids are rejected for good cause, award shall be made to the lowest responsive, responsible bidder.

Successful bidder shall execute the contract within ten (10) days after the date of award.

Neither the State of Washington nor the Federal Government nor any of its departments or employees is or shall be a party to this Contract or any sub-contract.

A Prebid Conference shall be held at the office of the Public Works Department at 1:30 p.m. on January 13, 1987.

WRIGHT STATE UNIVERSITY COMPUTER SCIENCE AND ENGINEERING

Full-time positions in Computer Science or Computer Engineering are available at all faculty levels. There is interest in professors who have sufficient experience, currency, and depth to direct doctoral students and research dissertations in a PhD program in Computer Science & Engineering. The Department is also seeking PhDs with less experience, but who have a commitment to research and teaching in a PhD granting program.

Candidates for tenure-track positions should have a PhD in Computer Science, Computer Engineering, or equivalent background, and have demonstrated a strong research, as well as teaching commitment. Any non-tenure-track positions will be filled by candidates with strong Computer Science or Computer Engineering credentials. At least a Master's Degree in the field is desired.

Submit a resume including names of 3 references to: Professor Larry A. Crum, Chair, Department of Computer Science, Wright State University, Dayton, OH 45435. Reviewing for tenure-track appointment positions will begin January 1, 1987. And for non-tenure-track positions on March 1, 1987. Reviewing will continue monthly until positions are filled or until September 1, 1987. EEO/AA Employer.
