ADMINISTRATIVE COORDINATOR - BUSINESS - Engineering Department

The Port of Portland has a current opening for an Administrative Coordinator-Business to work in the Engineering Department. Duties include providing a high level of business, administrative and clerical support to staff.

Preferred qualifications are a combination of experience or education affording business and clerical skills, including math and typing. Also preferred is the ability to work with minimal supervision, organize work, communicate well, both orally and in writing, work with numbers and verify accuracy, handle concurrent projects and shift priorities, and work well with others as a team member. Exposure to computers, word processors and other automated office equipment and familiarity with accounts payable and purchasing procedures is helpful.

This position requires public contact and excellent teamwork skills.

If interested and qualified, apply in person at:

The Port of Portland
Personnel Office
12th Floor
700 N.E. Multnomah

All applications must be received by 5:00 p.m., January 7, 1987.
