

PORT OF PORTLAND
INVITATION TO BID

Sealed bids will be received by the Purchasing Manager of the Port of Portland, 700 N.E. Multnomah Street, Portland, Oregon (mailing address: P.O. Box 3529, Portland, OR 97208) for items detailed herein until the individually specified dates and times indicated, and thereafter publicly opened and read.

Plans and specifications may be examined and/or obtained at the above address. Contact the Purchasing Department at 231-5000, Ext. 588.

Bids must be on the bid form provided to prospective bidders and, when Bid Surety is required, must be accompanied by a certified or cashier's check drawn on a United States bank, or a bid bond payable to the Port of Portland in an amount equal to at least 10 percent of the total amount bid.

When prequalification is required, the prequalification statements should be received at least 10 days prior to the time set for bid opening. Applications for prequalification may be submitted less than 10 days before bid opening, but consideration by the Port cannot be assured.

Attention is called to the provisions of the Oregon Revised Statutes 279.350, providing that workers be paid prevailing wage rates.

POST DOCTORAL POSITIONS

Periodically, the College of Engineering at The University of Alabama has Post Doctoral Position vacancies under a variety of contracts, grants and projects. Qualified individuals are being sought to establish a pool of readily available talented persons from which these vacancies can be filled as they occur.

The College of Engineering has research activities in the following broad areas:

- | | |
|--|----------------------------------|
| Aerospace Engineering | Engineering Graphics |
| Chemical Engineering | Engineering Mechanics |
| Civil Engineering | Industrial Engineering |
| Civil Engineering Technology | Mechanical Engineering |
| Computer Science | Metallurgical Engineering |
| Electrical Engineering | Mineral Engineering |
| Electrical Engineering Technology | Petroleum Engineering |

Appointments to these Post Doctoral Positions are for a specific period of time, are non-tenure earning, and may be renewable. Salary will be determined by the nature of the task and the credentials of the applicant. Applications from women and minorities are especially encouraged.

Interested persons should submit a letter of application, resume, and the names, addresses and phone numbers of at least three references to:

Assistant Dean for Research and Graduate Studies
The College of Engineering
The University of Alabama
P.O. Box 1968
Tuscaloosa, AL 35487-1968

All individuals in the established applicant pool will be notified each time an appointment is made from the pool. A person may withdraw his/her name from the pool at any time by requesting such action in writing.
