

NOTICE OF INTENT

The Oregon Department of Transportation, Highway Division, is seeking Letters of Interest and Statements of Qualifications from consulting engineering firms with demonstrated experience in highway engineering. The Highway Division proposes to engage consultants for project development and engineering services for five projects located in Region 4. The projects are listed below:

- 1a Kiwa Springs-Sand Shed
- 1b Sand Shed — Mt. Bachelor
Century Drive
Deschutes County
- 2 Port of The Dalles (Chenoweth) Interchange
Columbia River Highway
Wasco County
- 3 Sisters Couplet
McKenzie Highway
Deschutes County
- 4 Keh-Nee-Ta Jct. — Pelton Dam Road
Warm Springs Highway
Jefferson County
- 5 Crater Lake Boundary — Fort Klamath
Crater Lake Highway
Klamath County

The scope of work for all five projects will include development of location designs, conducting a citizen involvement program, engineering support analysis for the draft environmental document and the final environmental document. In addition, three of these projects will involve final field location surveys, preliminary design and preparation of preliminary plans and specifications.

If you are interested in being considered, a request of Letters of Interest and Statements of Qualifications can be obtained by calling or writing Bill Geibel, Preliminary Design Engineer, 207 Transportation Bldg., Salem, OR 97310; telephone (503) 378-3458.

ADVERTISEMENT FOR BIDS

Sealed bids for the Target Range Reroofing project will be received by the Oregon State Board of Higher Education until 2:00 PM, PST, March 31, 1987 at Administrative Services Building "B", Room B100.

REQUEST FOR PROPOSALS

S. E. KING ROAD/S. E. 42nd AVENUE
STREET IMPROVEMENT PROJECT
April 17th, 1987

The City of Milwaukie is requesting proposals for engineering services for improvements to S.E. King Road and S.E. 42nd Avenue.

Proposals must be submitted on the attached forms. Four (4) copies of your proposal must be received by the City of Milwaukie Public Works Department, 10722 SE Main Street, Milwaukie, Oregon 97222 by 2:00 pm, Friday, April 17, 1987.

Any proposal received after this date and time will not be considered by the City and will be returned to the proposer unopened. An evaluation of the proposal will be made and a recommendation presented to the Oregon Department of Transportation (ODOT) for review. The City Council of Milwaukie, Oregon (City) will then make the final determination of the preferred firm. The preferred firm must execute, within thirty (30) days, a contract based in this proposal and Council direction.

The City reserves the right to reject any or all proposals. In addition, if the preferred firm fails to execute a contract within thirty days, the City reserves the right to stop contract negotiations and select another firm.

This project is funded by Federal Highway Funds (85%) and local funds (15%).

Steven M. Hall, P. E.
Public Works Director
