## Oregon Contractor Named To Top Leadership Position In Association

Paul Emerick, president and chairman of the board of Emerick Construction Company of Portland, Oregon, a firm which specializes in building and industrial construction projects, was named 1987 Vice President of the Associated General Contractors of America (AGC) at the group's 68th Annual Convention in Washington, D.C.

Mr. Emerick holds a Bachelor of Science degree in civil engineering from Oregon State University. He has frequently testified before Congress on manpower, training and small business issues. He is past Oregon Contractor of the Year, and was honored as AGC's Committee Chairman of the Year in 1974 for his work on training programs for construction craftsmen. He is a life member of the AGC Board of Directors and served as Chairman of AGC's Building Division in 1983.
