Times of the revival will be 7:00 p.m. to 8:30 p.m., Wednesday thru Friday, and 3:00 p.m. to 5:00 p.m. and Sunday. Speaker for the revival will be Dr. W.C. He is also the producer of the acclaimed video, "Martin the Emancipator".

Emanuel Course Sharpens Seniors' Driving Skills

Senior citizens who want to boost their confidence behind the wheel can sharpen their driving skills through a driver re-training program at Emanuel Hospital & Health Center. The "55 Alive Mature Driving" class, developed by the American Association of Retired Persons (AARP), teaches defensive driving for persons 50 and older. The course is taught by older volunteers and covers aging's effects on driving and how to apply basic rules of the road and prevent accidents.

The two-day class costs \$7 and will be held from 8 a.m. to 1 p.m. on May 25 and 26. Some insurance companies will give a discount on the premium after the course is completed. A meal discount in the hospital's Courtyard Cafe is included. To pre-register or obtain more information, call 280-4284.

Infant Toddler CPR Course Offered At Emanuel

Parents, teachers and others who work with children can learn CPR (Cardiopulmonary resuscitation) and general lifesaving techniques for infants and toddlers at a special course offered at Emanuel Hospital & Health Center.

The in-depth, four-hour sessions are taught by registered nurses from the hospital's highly regarded newborn intensive care unit. It is one of the only courses in the area that uses a toddler-sized mannequin for CPR training, according to Mary Kaye Brady, course coordinator. The classes also include first aid and an exercise program to give babies a healthy start in life.

Courses this spring will be held May 12, 19 and June 2 and 9 from 6 p.m. to 10 p.m. at Emanuel. Cost is \$18 and includes certification upon completion. Classes are limited to six participants, so persons are asked to pre-register right away by calling 280-4284.
