

# THE ENTERTAINMENT SEEN

By Ken Covington

## Dealing With It

Singer-bassist Randy Smith is hard at work building a new band and following along with a whole new sound. The group packed The Tipping Inn's Other Side for two consecutive weekends. Randy states that it's all business this time, and he has definite plans on presenting the band's talents on a broader scale this time around. His determination, I'm sure, will see him through.....

## Somewhere Over the Rainbow

Singer-actress Shawn Price reemerges as backup vocalist for the newly remodeled Calvin Walker Band. Calvin is in the transitional stages of changing his format. One thing I'm sure of is that whatever Calvin does, comes out "Calvin", along with the consistent 200% he always gives. Shawn can't help but to blossom under Calvin's protective and skillful wing. A lot of people want to see you make it big, Shawn. Rise, like the star you are.

## COOL 'R

Cool 'R is currently working on breaking in new drummer Jeff Mini-weather and welcoming back guitarist Doug Lewis back into the Portland music scene. Doug has been with Force Major, a world-class R & B act that is almost always in Europe and Asia spreading the good Funk and Roll sound worldwide. The group is based out of Seattle and now includes former shock singer Billy Bradford. Bassist Randy Smith is also a former member.

Cool 'R just completed a two-song demo and has added costumes to their stage show. Keep on keeping on.

## Jamming on Sundays

One thing that I have always loved about Portland is the live music, and Sundays are certainly no exception. The Royal Esquire has jazz around 5:00, Mary's Place kicks off at about 9:00, and across the river there is Ron Steen at Remo's, and anyone from Cool 'R to Tom Grant downtown. Keep your Sundays LIVE!!!

An easy way to ice cupcakes is to place a small piece of chocolate on the top when the cupcake is still hot, and spread the chocolate as it melts.

Trolley parks, first developed during the late 1800s, were America's first amusement parks. These parks were located at the end of trolley routes to encourage the weekend use of trolleys.

## Let's Go To The Rally

Oregon People for Prison Alternatives is sponsoring a rally and visitors strike for family and friends of Oregon prison inmates in support of House Bill 2536 which would provide for extended visiting programs for families at our state prisons. The rally will be held on Tuesday, April 28, 1987, at 12:30, on the steps of the State Capitol Building in Salem.

On that same afternoon, visitors are being urged not to visit inmates at the prison as a show of support for improved visiting programs and as a show of support from the inmates that this issue is important enough for them to sacrifice an afternoon of visits.

**NOTE:** The Corrections Division is not sponsoring this rally and, in fact, has confiscated all literature advertising the rally which was sent by our organization to inmates at the Oregon State Penitentiary.
