PCC Engineering Tech Grads to Gather

The Engineering Technology Department at Portland Community College wants to locate anyone who graduated from the civil and mechanical engineering programs since the college opened its doors in 1961. Department officials want the information so they can invite graduates to a biannual alumni reunion Saturday evening, May 16, at the Jantzen Beach Red Lion. Those who have information are asked to call Dick Wysong or Dick Kroll at the PCC Sylvania Campus, (503) 244-6111.

Whales have lungs, not gills, so when they surface to breathe, pent-up air from the lungs is expelled through their one nostril at the top of the head. The discharge of warm air condenses in the cold air into a visible vapor.
