

Learning Another Language is Just the First Step in Learning Another Culture

Homestays International is seeking host families for Japanese students who will be visiting Portland, Oregon area from July 20-August 13.

The students are typical Japanese teenagers and young adults between the ages of 18 and 21 years of age. Hosting a student will afford you the opportunity to learn firsthand about the life of a student from Japan and to practice your conversational Japanese.

During the stay, the students will have a full day excursion to the city and half a day excursion to a cultural event. They will also take Conversational English for four days a week between the hours of 9:00 A.M. and Noon.

Opening your heart to a student will give you the opportunity to make new friends, to see your community through the eyes of a foreigner and to learn about the Japanese culture without leaving your home.

PCC Board Picks Leadership

Dana Anderson, a business consultant and resident of Northeast Portland, has been chosen chairperson of the Portland Community College Board of Directors for the 1987-1988 fiscal year.

The board selected Norma Jean Germond, Lake Oswego civic leader, as vice chair during a reorganization meeting July 7.

Retiring board Chairman Bill Long of Raleigh Hills received commendation for his service during the past year in remarks by Director Dick Springer. "Your leadership and personal caring were important, especially since a majority of the board members were new," Springer said.

PCC President Daniel F. Moriarty swore in new board members Monica Little of Northeast Portland, an attorney and staff assistant to Portland City Commissioner Dick Bogle; Karen McKinney, Hillsboro community services leader; and Keith Skelton of Southeast Portland, an attorney, retired state legislator and professor emeritus of Portland State University.
