## MARINE FACILITIES PLANNER

The Port of Portland has an immediate opening for an individual to work in the Engineering Services Division to provide support to the Marine and Marine Services Departments in developing and maintaining master plans and facility records; to facilitate development of new facilities; and to manage and/or perform planning studies and analysis.

Preferred qualifications include coursework or experience equivalent to a degree in transportation planning or civil engineering, demonstrated project management skills, and experience in marine planning and development. The ability to take initiative on projects, the ability to communicate at all levels throughout the organization, a knowledge of computer simulation modeling and facility capacity analysis and a knowledge of construction techniques are also preferred.

Interested individuals may apply at:

**Port of Portland  
Employment Office  
12th Floor  
700 N.E. Multnomah  
or call  
(503) 231-5000  
extension 700**  
for further information.

This position will remain open until sufficient applications are received, but may close any time after Friday, September 25, 1987.

The Port is an  
Equal Opportunity Employer
