Engineering

CIVIL ENGINEER

The Portland Development Commission is dedicated to enhancing Portland's quality of life. For nearly 30 years this has been accomplished by creating and implementing programs which respond to community need, provide housing, create business and employment opportunities, and improve public areas and facilities. We are actively seeking a talented and civic-minded professional to fill this visible position.

As a Project Engineer, you will assist in project planning, budgeting, scheduling design and construction management. Includes working closely with developers, planners, architects, engineers, contractors, utilities and city bureaus. Current projects include Waterfront construction, the Oregon Convention Center, and the Old Town parking garage. Requires a Civil Engineering degree and 3+ years' of relevant experience. The ability to effectively interface with a broad spectrum of individuals is necessary.

In addition to a starting salary of up to \$32,000, we offer the opportunity to be an integral member of a motivated team. To apply, request a Commission application packet by calling (503) 796-5349.
