**WASHTENAW COMMUNITY COLLEGE
ELECTRICITY/ELECTRONICS INSTRUCTOR**

Specific Responsibilities:

1. Teach first and second year community college courses in electrical circuits, electronic devices and digital electronic systems, industrial control, and robotic electronics for daytime and evening classes.
2. Develop classroom and laboratory activities needed to develop practical technician level skills in testing, troubleshooting, and analyzing electrical/electronic circuits.
3. Develop new electrical/electronics courses as needed to maintain Electricity/Electronics Program current with industrial technology.
4. Participate actively in promoting a strong working relationship with local industries that employ electricity/electronics technicians.

Minimum Qualifications:

1. Bachelor's degree (Master's degree preferred) in Electrical Engineering, Physics, or Industrial Education.
2. Two years full time equivalent industrial and/or military experience in the Electricity/Electronics area.
3. One year full time equivalent teaching experience.

Anticipated date of appointment is first faculty reporting day of the Winter Semester 1988. Working conditions, compensation/benefits, and base load will be in accord with the faculty master agreement.

Deadline for receipt of official WCC application form is October 23, 1987. Interested persons should send completed WCC application form and credentials to the: **Office of Employee Relations, Washtenaw Community College, Room 230 Student Center Building, 4800 E. Huron River Drive, P.O. Box D-1, Ann Arbor, MI 48106. (313) 973-3497.**

**CHAIR,
DEPARTMENT OF MEDICINE
COLLEGE OF MEDICINE**

The Pennsylvania State University College of Medicine is seeking a chairperson in Medicine to succeed Graham H. Jeffries, M.B., Ch.B., D.Phil (Oxon) who has decided to retire from the Chair. The Department has a history of excellence in patient care and teaching and its faculty are leaders in their fields of research. The new chairperson will continue to develop and expand the Department in all areas of patient care, research, and scholarship. The Department currently trains residents and fellows in 12 approved programs. Candidates should have an outstanding record as a clinician, researcher, and educator and should also have proven leadership skills.

Applications or nominations should be addressed to:

John A. Waldhausen, M.D.
Chairman, Search Committee
for Chair of Medicine
The Pennsylvania State University
College of Medicine
The Milton S. Hershey Medical Center
P.O. Box 850 — F
Hershey, Pennsylvania 17033

The deadline for applications is November 30, 1987.

The Pennsylvania State University is an equal opportunity affirmative action employer.

**FACULTY POSITIONS
IN CARDIOVASCULAR/RENAL PHARMACOLOGY**

The Department of Pharmacology, University of Tennessee, Memphis, is seeking candidates for two tenure-track positions available immediately, in cardiovascular/renal pharmacology at the ranks of Associate Professor or Professor. Candidates should possess a Ph.D. degree in Pharmacology or related discipline, or an M.D., and should have demonstrated excellence in research and commitment to teaching. Candidates will be expected to have an ongoing independent research program supported by national funding agencies. Although candidates in the area of cardiovascular/renal pharmacology will be given preference, applicants experienced in other areas of research will also be considered. Candidates for cardiovascular/renal should have a strong background in relevant physiological or biochemical studies. Other candidates should have appropriate experience in application of biochemistry, molecular biology, or immunology to pharmacology. Candidates will be expected to participate in teaching of Pharmacology to professional and graduate students. Applications from minority candidates and women are strongly encouraged. Please submit, by December 1, 1987, curriculum vitae, the names of three references and a brief statement of future research plans to: **Murray Heimberg, M.D., Ph.D., Van Vleet Professor and Chairman, Department of Pharmacology, University of Tennessee, The Health Science Center, Memphis, TN 38163. The University of Tennessee is an Equal Opportunity/Affirmative Action Employer.**

HANCOCK BIOLOGICAL STATION

Director, Hancock Biological Station. Tenure-track position. Ph.D. in Biology or Environmental Biology required. Demonstrated ability to work with funding agencies, a specialty area in aquatic systems ecology or environmental toxicology, and biological station or related experience desired. Duties will include management of the Biological Station, teaching responsibilities in the department, participation in programs related to a Center of Excellence for Ecosystems Studies, and direction of graduate students. Screening to begin December 15, 1987.

Submit curriculum vitae, transcripts, and three letters of reference to: **Dr. J.M. King, Chairman, Search Committee, Department of Biological Sciences, Murray State University, Murray, KY 42071.**
