Omark's Oregon Saw Chain Division is the world's leading manufacturer and marketer of cutting chain and accessories for chainsaws. Our OREGON® products serve the international timber harvesting industry and are marketed in 120 countries. Currently, we are updating skills files and seeking resumes from people we can contact for interviews as job vacancies occur in our Portland manufacturing facility. We are particularly interested in hearing from:

- Mechanical, industrial, and manufacturing engineering graduates and undergraduates
- Skilled machinists
- Machine operators
- Those who wish to work part time in seasonal factory positions

All resumes will be acknowledged and those whose resumes indicate suitability for future openings will be contacted for interviews as vacancies occur.

Please send your resume to Pete Barnett at the address below. Omark is an equal opportunity employer.
