

# Contract with ODOT

The Oregon Department of Transportation is committed to making contracting opportunities available to minority businesses. The Department is proud to announce the minority business participation on federal-aid highway contracts signed during the current fiscal year has been 12%.

Over the next six months, over \$100 million worth of highway construction contracts are scheduled. Many of these projects will include opportunities for minority business subcontracting.

Examples include:

October 27, 1988  
Shinglehouse Slough Bridges, Coos Co. (grading, paving, structures)  
Est. \$1,500,000

November 17, 1988  
Simmons Creek, Tillamook Co. (grading, paving, culverts)  
Est. \$1,500,000

December 22, 1988  
Vida, Lane Co. (grading, paving, passing lane)  
Est. \$300,000

January 26, 1988  
N.E. 181st Avenue Interchange, Multnomah Co.  
(grading, paving, structure, signals, signs, illumination)  
Est. \$22,500,000

February 23, 1988  
Greeley Ramps-North Banfield Interchange, Phase 1, Multnomah Co.  
(grading, paving, structure, signs, signals, illumination)  
Est. \$6,000,000

For information on these and other highway construction projects, contact Ronault Catalani, Construction Section [378-6314].
