With Out A Vision The People Will Perish!

The Elders (Pastors) of Jurisdiction #1 have begun the reconstruction of McKinney Temple. The first task that they had to do, was to remove the old roofing. 110 yards of roofing was shoveled off of the roof and replaced with a new roof. This project was started in August and was completed the last of September, 1988!

The first week of October was the beginning of their next task and that was to install an electrical fuse box and wiring, with completion planned for the middle of October, 1988. "Updates on the reconstruction will follow, as the projects are completed."
