REQUEST FOR BIDS

The Metropolitan Service District (Metro), the agency responsible for constructing and operating the new Oregon Convention Center, is seeking bids for the warehousing of selected Convention Center furniture, fixtures and equipment (FF&E) items. The warehousing responsibilities will include receiving, inventorying and storing FF&E items and may include delivery to and installation of such items in the completed Convention Center. Copies of the Request for Bids (RFB) are available from Sandy Stallcup of the Convention Center Project Office at (503) 221-1646.

Bidders will be required to conform exactly to the proposed Scope of Work. Any questions regarding this RFB shall be directed writing to the Convention Center Project Office, Attn: Berit Younie, 2000 S.W. First Avenue, Portland, Oregon 97201-5398 by 5:00 p.m., PST, October 23, 1989.

Goals on this contract for participation of Metro's Disadvantaged and Women Business Program have been set at 7% and 3% respectively. If subcontracting is proposed, bidders must meet these goals or demonstrate good faith efforts to do so.

Bids must be delivered to Metro, Attn: Berit Younie, Convention Center Project Office, 2000 S.W. First Avenue, Portland, Oregon 97201 by 4:00 p.m. PST on Friday, November 3, 1989.

Metro reserves the right to reject for cause any bids or to waive any irregularities upon a finding by Metro that it is in the public interest to do so.

ANNOUNCEMENT OF CALL FOR BIDS:

INNOVATIVE HEAT PUMP APPLICATIONS ARE ENERGY SERVICES.

"Maybe we should call this place 'Popular Village' instead of Poplar Village."

According to Gwen Hart, manager of Medford's Poplar Village apartments, Pacific's Debby Reid is a real socialite. *Maybe not the kind who makes the pages of Vogue Magazine but certainly the person to know if you're after a real following.* Debby's story, on the right, is a good example of how Pacific Power is providing customers innovative, energy-related solutions.
 Today, we can help you discover new ways to expand opportunity, reduce costs and improve efficiency with a growing number of energy products and services. How can we help you?

"Poplar Village is one of the newest apartment complexes in town. And, it is the first with heat pumps that provide both heating and cooling. Something we need during the hot summer months.

"Gwen Hart has told me she's really had to learn how to say 'No Vacancy' because Poplar Village is so popular with renters. With energy bills as low as \$30 a month during the winter...you can see why.

"We're glad things are working so well at Poplar Village...even though Gwen doesn't spend a lot of time showing apartments."
