

# PSU Upends Cal-State Northridge

By Dan Bell

The battle of two teams undefeated in WFC play was resolved Saturday night, Oct. 14th, at the Civic Stadium. The Portland State Vikings endured an ominous first half to come back in the second half and wrapped up the game.

However Cal-State Northridge's Matadors did not go down without a fight. The Matadors held the Viks to just 2 yards net rushing and had a 10 to 7 lead going in to the locker room at the end of the first half.

The Matadors defense held the Viks deep in their own territory on their first possession of the game. Northridge kicked a 19 yard field goal for a 3-0 lead. The Matadors defense contained the Vikings until there was 3:22 left in the first quarter when their defense collapsed allowing Rinaldo Shackleford behind the secondary for a 58 yard touchdown pass play. This

gave the Viks a momentary lead making it 10 to 7. This is how the first half ended.

Things took a turn for the worse for Cal-State in the second half though, their offense seem to get untracked as the Vikings started executing better. The Viks took their first possession of the second half into the end-zone after a 22 yard pass from Del' Andrae to Shackleford, and a 36 yard run by Burnell Harvin. Northridge offense stalled again and after receiving a short punt the Viks took over on the Matador 44.1 PSU punched the ball into the end zone in seven plays on a yard run by Harvin. By this time the defense had established itself and held Northridge to just 4 plays forcing another punt. Greg Evers dropped the punt, but thanks to a controversial call by the officials the Viks were allowed to keep the ball. They took full advantage of this by driving down the field for their third

unanswered touchdown. This made it 27-10 Vikings.

The Matadors however wouldn't throw in the towel, and put together a 75 yard march that culminated with Albert Fann running the ball in from the 2 yard line for the score. Making the game 27-17 with 12:42 remaining in the fourth quarter.

PSU proceeded to put last the last nail in the coffin for the Matadors when they engineered a 61 yard drive capped by a 6 yard TD pass from quarterback Del'Andrae to back up half-back Don Finkbonner. After the game Matadors Head Coach attributed the games loss primarily to poor field position and loss of the momentum Northridge had sustained in the first half.

PSU Coach Pokey Allen, said that he felt his team played a good game in the second half, but committed far too many penalties.

## Sports Game Sales Week Highest Ever Eight Winners Share Biggest Prize

The sixth week of sales were the highest ever for the Lottery's new SPORTS ACTION game totaling \$467,206, up 111 percent from the first week's sales of \$221,244. Eight lucky winners will share the 14-game prize pool worth \$70,446.40 for \$8,805 each. "When we first started this game, some people said it would be difficult to win the big prize since October 4 when Donald Tanferani of Roseburg claimed \$84,109, the largest prize won by an individual.

Davey said that someone had apparently tried to cover all the possible combinations in the 14-game category. "We heard from one of our retailers that a player attempted to cover the 16,384 combinations. If someone did do that, it wasn't a very wise investment." He said the player would've spent over \$16,000 for an \$8,805 return. "This is a pari-mutuel game meaning the prize is proportionately shared by the number of winners in that prize pool."

Last week's sales for Saturday and Sunday hit all time highs at \$221,270 and \$111,097, respectively. "The players now understand they can make their wagers right up til 1 p.m. on Sundays," said Lottery Director Jim Davey. He said the Lottery is delighted with last week's record sales. "Given time, we knew SPORTS ACTION would become a viable Lottery game," said Davey. "Even better, it's having a positive impact on overall sales."

Last week's game reaped winners from all eight prize pools. Total prize payouts reached \$264,195.90 that will be shared by 18,433 winners, the most winners in a single week since the game began. to date, SPORTS ACTION sales now total \$2,299,572.

## UNITY OF LOVE

The Unity of Love is on the make!!!

## Kemp Issues Charge of Housing Discrimination

A Marion, Ohio, apartment owner and an apartment manager have been charged with racial and sexual discrimination in housing for refusing to rent an apartment to a black woman. The charge was issued by Secretary of Housing and Urban Development Jack Kemp, acting under the authority of the Fair Housing Amendments Act of 1988.

"President Bush and I believe fair housing is a fundamental right of all Americans. We will continue to use the full authority of the Federal Government in the enforcement of our nation's laws against discrimination in housing," said Secretary Kemp.

HUD issued the charge after investigating the woman's fair housing complaint.

Named as respondents in the complaint are Clifford M. Clark, Jr. (owner) and Johnny Worthington (manager).

In the complaint filed with HUD, the woman stated that she made several unsuccessful attempts to pay a security deposit to both defendants -- despite the fact that they each have accepted security deposits from white applicants. Further, the complainant alleged that Mr. Worthington made statements to her indicating discrimination based on sex. As a result of the evidence gathered by HUD investigators, HUD determined that reasonable cause exists to believe that the alleged discrimination has occurred.

The Fair Housing Amendments Act of 1988 authorizes HUD to investigate complaints of discriminatory housing practices. If such a complaint cannot be resolved through conciliation and if HUD determines that reasonable cause exists to believe that a discriminatory housing practice has occurred, HUD can issue a charge of discrimination. Because conciliation attempts failed in this case, HUD commenced an enforcement action by issuing the charge. Now that HUD has issued a charge of discrimination, any party may elect, within twenty days, to have the case heard by either a HUD Administrative Law Judge or a Federal District Court.

Civil penalties under the federal Fair Housing Law can be as high as \$10,000 for a first offense.

# CONFUSED ABOUT TODAY'S HOME FINANCING OPTIONS?

Attend our FREE Seminar on Thursday, November 2nd, and let us walk you through some of the most current home financing programs.

The seminar will present valuable information tailored especially for first time home buyers. We'll shed some light on just what it takes to qualify for a home loan, as well as share some information on new programs that help make qualifying easier.

DATE: Thursday, November 2

TIME: 7:00 PM-9:00 PM

PLACE: Salvation Army Moore St. Community Center  
5430 North Moore Street  
Portland, Oregon

In addition to a speaker from U.S. Bancorp Mortgage Co., there will be a representative from the NE Community Development Corporation to discuss the new Nehemiah Housing Opportunity Grant, as well as a representative from the U.S. Department of Housing and Urban Development (HUD) who will explain the current FHA and VA loan programs.

Refreshments will be served. To reserve your place at the seminar simply call 275-7519.

## Does waiting for a call to come in keep you from going out?

Forwarding your important calls helps keep your life from being put on standby. That's why you should consider a U.S. WEST TeleChoice package that includes Call Forwarding.

Call Forwarding is just one of the TeleChoice services and features you can choose for your package.

In fact, TeleChoice offers 14 different options you can combine to meet your specific needs.

For instance, your TeleChoice package might also include Three Way Calling, unlimited local calling, an additional listing and additional directory assistance. It's your call whatever package you choose.

you'll save money over the costs of the individual features.

The point is that by combining several options in a TeleChoice package, you'll make your life a little easier. Just call your local U.S. WEST Communications office or call toll free 1-800-242-5000.
