Contractors and subcontractors must be licensed for asbestos abatement work if the project involves working with asbestos. No proposal will be considered unless accompanied by a check payable to Multnomah County, certified by a responsible bank, or in lieu thereof, a surety bond for an amount equal to ten percent (10%) of the aggregate proposal. The successful bidder shall furnish a bond satisfactory to the Board in the full amount of the contract. Multnomah County reserves the right to reject any or all bids.
Lillie Walker, Director
Purchasing Section

NOTICE OF INTENT

The Oregon Department of Transportation, Highway Division, is seeking proposals from land surveying firms with demonstrated experience in retracement and monumentation of highway right-of-way for the following projects:

1. Bancroft Street to Sellwood Bridge

The project is from the Sellwood Bridge northerly approximately two miles, and requires setting approximately 150 monuments. The anticipated cost for retracement and monumentation is from \$60,000 to \$70,000.

2. N.E. 3rd Avenue to S.E. 88th Avenue

The project is approximately 6 miles in length and requires setting approximately 250 monuments. The anticipated cost for retracement and monumentation is from \$90,000 to \$100,000.

If you are interest in being considered, a Request for Proposals can be obtained by calling or writing Bob Thompson, Consultant Liaison Engineer, 309 Transportation Building, Salem, OR 97310; telephone (503) 378-6563.

Request for Proposals are due on November 29, 1989.

NOTICE OF INTENT

The Oregon Department of Transportation, Highway Division, Bridge Section requests Letters of Interest and Statements of Qualifications from consulting engineering firms with experience in any of the following types of work: moveable bridge and mechanical engineering, corrosion engineering and building architecture/engineering. The Division will engage consulting engineering firms to perform services in one or more of these three areas.

Successful Consultants will enter into flexible personal service contracts. The Bridge Section will assign work on an as-needed basis. Normal notification prior to the commencement of work on a project will be 2 weeks.

The maximum value of each contract will be \$20,000 for a one-year period. The Division reserves the option to renew each contract for a second year.

If you are interested in being considered, a Request of Qualifications can be obtained by calling or writing Bob Thompson, Consultant Liaison Engineer, 309 Transportation Building, Salem, OR 97310; telephone (503) 378-6563.

Request for Qualifications are due on December 1, 1989.

ELECTRICAL

INSTRUMENTATION

EMPLOYMENT OPPORTUNITIES WITH WORLD CLASS MANUFACTURER

Applications are being accepted for electrical maintenance positions at Armstrong's newest ceiling materials plant in St. Helens. These special opportunities are for the start-up of the company's West Coast ceiling plant and distribution center, serving the Pacific Rim and West Coast marketing areas. Successful candidates will be a vital part of the plant manufacturing team in the development and operation of new equipment, technology, and processes.

Armstrong World Industries, Inc. is a Fortune 200 company with 1988 sales of \$2.68 billion and 129 years experience in manufacturing. Our products include building products, vinyl flooring, carpet, ceramic tile, furniture and a variety of specialty products.

The positions provide opportunities for experienced electricians and instrumentation technicians with skills in maintaining motor controls; programmable logic controllers (PLC's); ac and dc variable speed drives; and maintaining and calibrating process control loops. Industrial electrical maintenance or similar experience is preferred.

The position responsibilities include planning and performing work requests to maintain a safe, highly productive and reliable process; use of a computerized maintenance management system; and assisting in the implementation of preventive maintenance procedures. The potential to develop and broaden craft skills and manufacturing process knowledge will be an exciting part of the job.

These challenging positions offer a safe and tobacco-free (no smoking) environment, and an excellent salary and benefits package including:

- Comprehensive Medical Plan with Wellness Account
- Dental Assistance Plan
- Education Aid Reimbursement
- 2-6 Wks/Yr Vacation Based on Service
- Accidental Death and Dismemberment Insurance
- Bonus Plan Based on Return on Assets
- Retirement Savings Plan (401k)
- Retirement Plan
- Stock Ownership Plan
- Life Insurance
- 11 Paid Holidays
- Disability Insurance
- Employee Assistance Plan

APPLICATION PROCESS

If you would like to be considered, please send a letter to:

Kevin M. Richter, Plant Engineering Manager
ARMSTRONG WORLD INDUSTRIES, INC.
1645 Railroad Avenue
St. Helens, Oregon 97051

All responses to this ad must be postmarked no later than November 22, 1989.

The letter should include:

- Specific technical abilities and license(s), if any.
- Education, work experience, and any specific training/certificates.
- Hobbies, activities, or community involvement.
- A phone number where you can be reached.

NO PHONE CALLS OR WALK-IN APPLICATIONS WILL BE ACCEPTED AT THE PLANT
