AVIATION MANAGEMENT ASSOCIATE AVIATION DEPARTMENT

The Port of Portland has an opening for an Aviation Management Associate in its Aviation Department. The successful candidate will participate in a long-term program designed to provide responsible, diverse technical support and management experiences by rotation through developmental job assignments and/or special projects in Finance, Marketing, Operations, Planning and Properties, Protective Services and Maintenance.

The PDX Management Associate Program is an extension of the Aviation Department's philosophy of upward mobility, job rotation and job satisfaction.

Qualifications include:

- * Ability to resolve major complex issues by reviewing operational plans, formulating proposals and recommending appropriate action;
- * Ability to plan, organize and monitor programs and manage major projects;
- * Ability to give work direction and

oversee employees;

* Ability to research and analyze data and solve technical problems. Preferred candidates will have course work or equivalent experience in business administration, finance, marketing and/or operations; demonstrated oral and written communication skills; initiative; ability to work cooperatively as a team member; flexibility; and, ability to work under pressure. Aviation experience is helpful.

In addition to a comprehensive benefit package, the Port offers a minimum starting salary of \$30,000.

Interested persons must complete an application form and supplemental questionnaire which are available at the Port Employment Office, 14 floor, 700 NE Multnomah, or by calling (501) 231-5000, ext. 700. All completed applications and questionnaires must be received by Friday, December 1, 1989 at 5:00 p.m.

SUPERINTENDENT, TERMINAL AND LANDSIDE OPERATIONS AVIATION DEPARTMENT

Preferred qualifications include:

- * Demonstrated knowledge of Police and Fire Departments procedures.
- * Demonstrated supervisory skills.
- * Ability to respond to news media and public concerning airport emergencies.
- * Broad knowledge to Airport Ground Transportation.
- * Demonstrated ability to make decisions in accordance with laws, ordinances, regulations, and airport operations instructions.
- * Ability to coordinate effectively with airlines, FAA, and military on airport-related activities.
- * Excellent oral and written communication skills.

* Ability to supervise skilled technicians with in-depth knowledge of communications and monitoring equipment for airport use.

* Ability to exercise sound judgment under stressful situations and competing priorities.

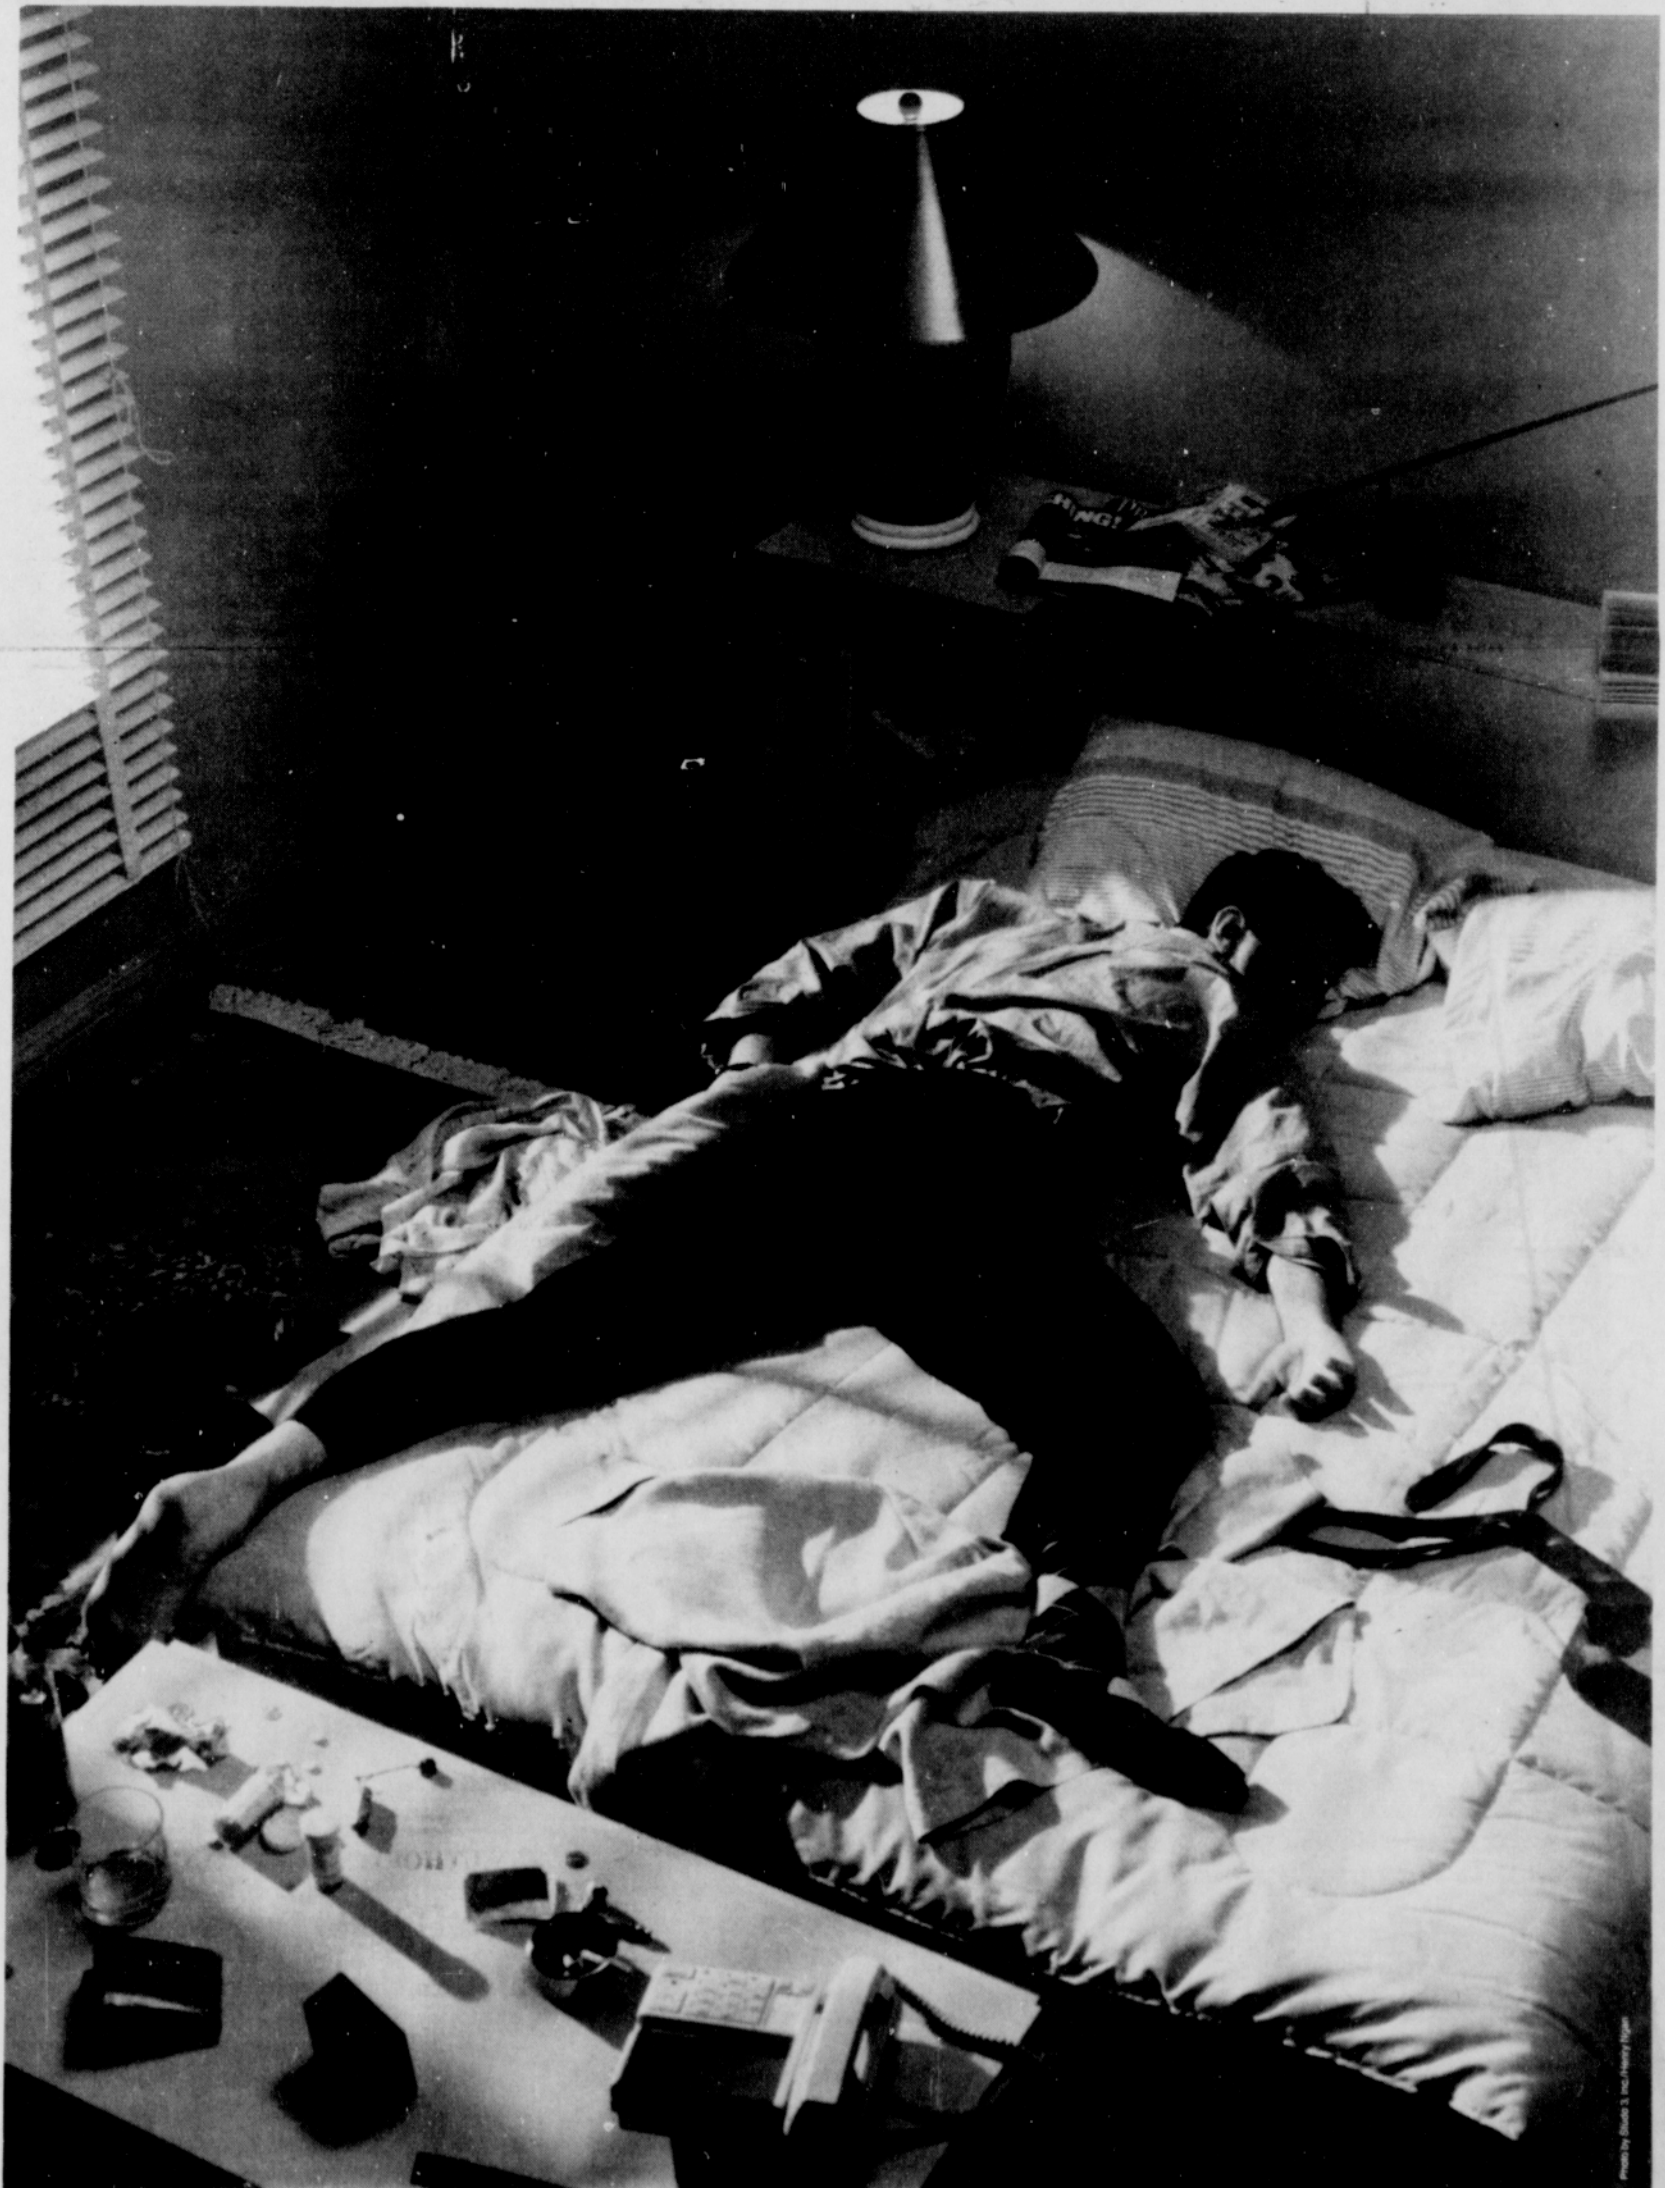

* Ability to be resourceful and creative in problem solving and independent decision making.

In addition to a comprehensive benefit package, the Port offers a starting salary range of \$33,493-\$38,735, commensurate with experience, and a full salary range of \$33,493-\$50,715.

If interested and qualified, apply in person at the Port Employment Office, 14 floor, 700 NE Multnomah, or call (503) 231-5000, Ext. 700 for complete application materials. All applications must be received by Friday, December 1, 1989 at 5:00 p.m.

THERE'S A SPECIAL HOLIDAY FOR EMPLOYEES WHO USE DRUGS. IT'S CALLED MONDAY.

When people are chronically absent from work, it could be a sign of drug abuse. And since 30% of Oregon's work force uses drugs, your company is affected as well. Which is no cause for celebration. If a drug control program is missing from your company, call the Oregon Prevention Resource Center at 1-800-822-OPRC for help. And bring back the five-day work week.

DRUGS DON'T WORK
