

SATISFY YOUR TASTE FOR SUCCESS.

If you're hungry for opportunity, Burger King has plenty in store. Whether you're looking for your first job, a promising career or a great business move, we can try to satisfy your needs.

GET A TASTE FOR BUSINESS: A job with Burger King can give you basic business skills to help you in any career you choose. It's a unique opportunity to work for a fast-growing and competitive company.

TAKE A BITE OUT OF OWNERSHIP: As a supporter of the PUSH Covenant—a program dedicated to providing employment and business opportunities for African-Americans—we're constantly looking for professionals to join our team of franchise owners. As part of our Minority Franchise Association, you can be an influential part of the Burger King® system.

SHARE THE GOODS: Burger King Corporation is actively committed to finding and using qualified minority vendors to meet the procurement needs of the company and the restaurant system with everything from food to banking services.

If you're interested in the many opportunities that may be available, please write or call: **BURGER KING CORPORATION**
