

BLACK HISTORY MONTH · FEBRUARY 1990

A Salute to Black Heritage

How many Black Americans are you familiar with in the history of our country?

Chances are, not that many because you won't find them in most history books. But Black History Month gives us a chance to become aware of the contributions many Black Americans have made in science, medicine, industry, agriculture, literature and more.

Join us in the observation of Black History Month and broaden your knowledge of how we, as a people have made this country what it is today.
