ELECTRICIAN II

The Port of Portland has an immediate opening for four Electricians II at its Aviation Maintenance Department. These positions will be for approximately 6 months and involve mostly night shift.

Primary responsibilities will be airport lighting system repairs and upgrade. The successful candidates will perform repairs, testing and replacement to field lighting, circuits, airfield and cable circuits, and field transformers.

The successful candidates may also:

1. Perform other duties consistent with license.
2. Successful candidates will be required to possess at least a Limited Journeyman Manufacturing Plant License

This is a bargaining unit position with a starting wage of \$17.43 per hour.

If interested and qualified, apply in person at the Port of Portland Employment Office, 700 NE Multnomah, 14th Floor. Applicants residing outside the tri-county Portland metropolitan area. Clark County and physically disabled applicants may request application materials by calling (503) 231-5000 ext. 700. All applications must be received by Friday 4-20-90, at 5 p.m.

The Port is an Equal Opportunity Employer

TOTAL COMMITMENT

We know that to be recognized as a company totally committed to customer satisfaction, OECO has to recruit and retain the best people.

We do this by providing our people with an environment that encourages both professional and personal growth. As we expand to meet the growing needs of the custom power conversion industry, the following positions must be filled:

Accounting/Tax Manager

In this position you will be responsible for all aspects of the Tax and Accounting Department. Supervision of A/P, A/R, financial analysis, budgeting, hiring/termination and other managerial duties. This situation will provide the avenue for the tax professional to move into the financial accounting arena.

The selected individual will need to bring 4 to 6 years of prior tax planning experience, currently hold a CPA license, possess prior managerial experience, a BS in Accounting or related field, and the ability to lead a team toward a common goal.

Jr. Mechanical Engineer

The position will function in a team environment and will involve evaluation and interpretation of customer specifications, the design and development of products to defined requirements and approved exceptions, and the estimation of mechanical product cost.

The preferred candidate will have solid working knowledge of FEA in the vibration and thermal areas, strong verbal and written communication skills, and possess a BS in Mechanical Engineering or equivalent.

OECO supports a drug free workplace and requires that all conditional offers of employment be contingent on satisfactory pre-employment drug/alcohol test results.

In addition to our exciting working atmosphere, we also provide a competitive compensation and benefit package. Please send your resume and salary desired before 5/11/90 to: OECO Corporation, 4607 SE International Way, Milwaukie, OR 97222. Attn: Martin Carskadon, M/54. We are proud to be an Equal Opportunity Employer. Please, no phone calls or agencies.

Data Processing

APPLICATIONS PROGRAMMER

Major Portland based pulp, paper & wood products company is seeking an Applications Programmer. This position is located in Halsey, Oregon and reports to our Corporate Headquarters located in Portland. Initial responsibilities will include installation and programming (RPG) maintenance of packaged software on AS/400; and monitoring/resolving operational technical, and network problems for on-site AS/400, System/36, and PC's. Future responsibilities will include programming and implementation of financial, sales and manufacturing applications on IBM mainframe and midrange computers. Business degree, proficiency in batch COBOL, RPG, and 1-2 years business data processing experience highly desirable. Challenging information systems environment offering career path opportunities and comprehensive benefits.

If you are interested in this position, please call Pope & Talbot, Inc. at 228-9161, Ext 467 to request an application packet, or come by in person before the closing date of May 21, 1990.

City of Portland Bureau of Transportation Engineering

Request for Proposals
Development Services Division
Organization and Fee Study

The Development Services Division is soliciting proposals from qualified consultants or consulting teams to examine the current organizational structure of the division, the current development related activities performed, the existing fee structure and pricing policy. Estimated cost of project \$50,000. It is expected that consultant teams be able to:

- 1) Identify and implement organizational changes, required to achieve efficiency, clarify work plan, consolidate management accountability, responsibility and authority.
- 2) Develop and implement an equitable pricing policy and fee structure.
- 3) Revise City Code to reflect pricing policy and separation of authorities.

The City of Portland encourages minority/women business enterprises contracts in its projects.

Copies of the proposal package and submission requirements are available at Transportation Engineering Offices, Attention: Vic Rhodes, 2210 SW 5th Avenue, Room 802, Portland, Oregon 97204, (503) 796-7556.

Proposals are due to Development Services Office Monday, April 20, 4:00 p.m. VFR:JMC:jwp
