Do you have the courage to care?

For an abused woman, leaving home isn't as easy as it sounds. Sadly, it's a situation 1,000 women in our community face every year.

But there is a way to help — United Way. When you support United Way, you help many broken families put the pieces of their lives back together.

Right now, there may be a desperately frightened woman who is waiting for her moment to leave. She has the courage; all she needs is the chance. Do you have the courage to care?

If you care, share.
