Transportation Planning Regional Rail Program REQUEST FOR PROPOSALS

Cost Estimates for replacing the Sellwood Bridge with provision for Light Rail Service

The Regional Rail Program is soliciting proposals from qualified consultants for a study to determine the cost of replacing the Sellwood Bridge with existing or expanded service for auto traffic plus the provision for light rail service. The light rail bridge would cross in the Sellwood area with the intent of serving Milwaukie.

The City of Portland encourages participation of minority/women business enterprise contractors in its projects. Please contact Stuart Gwin, Project Manager, 1120 S.W. Fifth Avenue, Room 702, Portland, Oregon 97204 (503) 796-7788.
