"Unity in the Community"

"The dream is one of equality of opportunity, of privilege and property widely distributed; a dream of a land where man will not take necessities from the many to give luxuries to the few; a dream of a land where men do not agree that the color of a man's skin determines the content of his character; a dream of a place where all our gifts and resources are held not for ourselves alone but as instruments of service for the rest of humanity; the dream of a country where every man will respect the dignity and worth of all human personality, and men will dare to live together as brothers. . . ."

# Dedication

Martin Luther King, Jr., dedicated his life to the crusade for racial equality. To millions of black Americans, he was the country's foremost civil rights leader. He urged his people to be proud of their race. He asked them to stand up for their rights. He led them in nonviolent demonstrations against the evils of hatred and segregation. He was a prophet of peace. Dr. King believed in the basic goodness of man and in the philosophy of nonviolence. It was his hope and dream that nonviolent protest action would create an America where all men might truly be equal. His efforts brought him worldwide fame, and death at an early age.

## MLKJ Scholarship Fund Holds Benefit

In celebration of Dr. Martin Luther King, Jr. birthday, the Martin Luther King, Jr. Scholarship Fund of Oregon joined together with the friends of Martin Luther King, Jr. Scholarship to raise funds for students in need of scholarship assistance.

We are asking you to join us for our second annual "Casino Nite" to be held on January 19, 1991, 6:00 p.m. until 1:00 a.m. at Steamers Restaurant and Lounge, 8303 N.E. Sandy Boulevard, Portland, Oregon.

This will be an exciting evening of casino activities and dancing. The cost is \$12.50 (single) and \$25.00

(couple).

The friends of the Martin Luther King, Jr. Scholarship was started ten years ago by three friends: the late Dr. C. Jack Ryan, James Thomas, and Michael Jordan who shared birthdays in the month of January. They decided to assist the youth in our community in receiving a college education by hosting an annual fund raiser and donating the funds to the Martin Luther King, Jr. Scholarship Fund of Oregon.

The Scholarship Fund Incorporated in 1971, and located on the Portland State University campus of

provided about 1,700 scholarships to needy students: totalling more than \$400,000 in educational assistance. Better than 95% of the contributions are utilized in direct scholarship assistance, with the small remainder going to defray the expenses of operating as a non-profit charitable corporation. These contributions have been made available to the fund over the years through the generosity of corporation, organizations, and members of the Oregon community, who are concerned with the future of Oregon.

**"Our needs are identical with labor's needs: decent wages, fair working conditions, livable housing, old age security, health and welfare measures, conditions in which families can grow, have education for their children and respect in the community. That is why Negroes support labor's demands and fight laws which curb labor. That is why the labor-hater and labor-baiter is virtually always a twin-headed creature spewing anti-Negro epithets from one mouth and anti-labor propaganda from the other mouth...the two most dynamic and cohesive liberal forces in the country are the labor movement and the Negro freedom movement..."** -Martin Luther King, Jr., 1961 AFL-CIO nat'l convention
