"All labor has dignity."

"It is a crime for people to live in this rich nation and receive starvation wages."

"Organized labor can be one of the most powerful instruments in putting an end to discrimination and segregation."

"Our needs are identical with labor's needs: decent wages, fair working conditions, livable housing, old age security, health and welfare measures, conditions in which families can grow, have education for their children and respect in the community. That is why Negroes support labor's demands and fight laws which curb labor. That is why the labor-hater and labor-baiter is virtually always a twin-headed creature spewing anti-Negro epithets from one mouth and anti-labor propoganda from the other mouth...The two most dynamic and cohesive liberal forces in the country are the labor movement and the Negro freedom movement..."(1961, AFL-CIO national convention)
