PUBLIC SERVICE REPRESENTATIVE 4

\$1,762 - 2,345

The Oregon Public Utility Commission is recruiting statewide for people to work directly with the public, providing analysis and interpretation of rules and regulations, and collecting taxes and fees. Responsibilities include determining and issuing PUC, highway variance, and DMV motor carrier permits, and responding to questions regarding all phases of motor carrier regulation, including weight-mile tax, economic regulation, and motor carrier safety. To qualify, you must have three years of experience performing public contact/customer service duties comparable to the work of a Public Service Representative. At least two years of this experience must include dealing with the public in person or by phone providing information about services and programs, explaining rules, programs, and procedures, and/or providing assistance, explaining requirements and gaining compliance. For application materials, call 503/373-7949, or write Public Utility Commission, Personnel Services, 450 Labor & Industries Bldg, Salem OR 97310-0335. Equal Opportunity Employer.

TRANSPORTATION ENGINEER 1 (Structural Designer)

\$2153-\$2889 Monthly

Oregon State Highway Division seeks applicants for a position in Salem. This person will perform structural design of minor to moderately complex bridges, buildings and incidental structures for a structural design team. Requires a Bachelor's degree in civil engineering and an EIT. To apply, contact ODOT Personnel at (503) 378-6281 for an application packet. Application and test answers must be returned by 5:00 p.m., April 24, 1991.

AA/EEO Employer

Senior Facilities Engineer

Precision Castparts Corp. is a recognized leader in the investment casting industry. We have an opening for an experienced facilities engineer in our Technical Center. The position has overall responsibility for maintaining the building, equipment and grounds. Prepares annual capital appropriations budget, maintenance budget, and capital appropriation requests, prepares requests for quotes and procures lab and manufacturing equipment, designs and/or modifies equipment for advanced manufacturing, contracts for building design/construction modifications, and reports to regulatory agencies on environmental permits.

The position requires a Bachelor's degree in engineering or closely related field and 4-6 years of relevant professional experience, ability to read technical drawing over a broad range of engineering disciplines, ability to manage multiple projects, and excellent communication skills. Knowledge of investing casting manufacturing procedures preferred. The Center is a non-smoking facility.

We offer an excellent compensation and benefit program. Send resume in confidence to: Precision Castparts Corp., Attn: Division Human Resources, #D0018, 4600 SE Harney Dr., Portland, OR 97206. Precision Castparts Corp. is an Equal Opportunity Employer. Women, minorities and handicapped encouraged to apply.
