Second Annual Gospel Jubilee

The 1991 NORTHWEST GOSPEL JUBILEE, will present a powerfully significant period in American History, especially for African Americans. The period between 1945 and 1965 was known as the Golden Age of Gospel. It was a time when Gospel quartets, female groups and vocalists were gaining national exposure in the midst of great oppression. This was also a time of great civil disorder because of racism and segregation, and the Civil Rights Movement was a major force in the nation. The NORTHWEST GOSPEL JUBILEE will depict this prominent time in history through drama, the WORD OF GOD, and the compelling sound of Gospel music.

The participants in the NORTHWEST GOSPEL JUBILEE hope to convey a message of perseverance in the continued struggle for Human Rights, victory over Spiritual Oppression, and commitment to the theme of the AFRICAN AMERICAN FESTIVAL, "UNITY IN THE COMMUNITY".

We're getting into the graduation mode. If you have someone who has "made it" let them know how proud we are of them. Education is a precious tool. Let our young men and women know that we support them in their efforts. At least say Congratulations!
