Safeway Reaches Out To The Hearing/Speech Impaired

On a related note, Safeway Officials announced the addition of the Telecommunication Device network (TDD) to their Pharmacy operations in Oregon and SW Washington.

Telecommunication Devices make it possible for the deaf, as well as speech impaired individuals to access the phone system. However, for the communication to be complete, the individual and/or business being called must also be equipped with TDD related equipment.

Safeway is proud to be one of the first businesses in the region to install this equipment in their Pharmacy Departments because it will OPEN the lines of communication with this segment of the population while REMOVING a longstanding barrier.

According to Safeway's Pharmacy Coordinator, Mr. Jack Boehme: "We believe offering this service

in our Pharmacies will provide a more convenient and hopefully, a more comfortable way for people to place their prescriptions and medical purchases."

Here is an example of how the Safeway TDD Prescription Service works:

1. Using their TDD machine, the caller will dial Safeway, using a TOLL FREE 1-800 Number.

2. The call will be received by the TDD machine located in the Pharmacy of the Safeway Store at 28th and Hawthorne in Portland.

3. Using the technology of the TDD, the caller will give their name, address and phone number, as well as their order. This information will be used to determine which Safeway Store (located nearest the customer's home) will fill the order.

This service was on line as of May 15, 1991.

PCC Receives Rotary Club Of Albina Scholarship

The Rotary Club of Albina Foundation recently announced a new scholarship for graduating Jefferson High School seniors to attend Portland Community College, Cascade Campus.

The scholarship will award \$1,000 per year for two years to a Jefferson senior who has achieved a minimum 2.5 GPA and who attends the Cascade Campus on a full-time basis, 12 or more credit hours per term.

Rotary Club scholarship priority will go to those students who plan to enroll in a Cascade Campus career/technical program; secondly, to students attending full-time at Cascade with plans to complete a career/technical program at another PCC campus; and third priority, to those who are pursuing a lower-division transfer curriculum with the intention to transfer to a four-year school.

Interested students may contact Barbara Ward at Jefferson High School, 280-5180, 5210 N. Kerby, for application materials.
