Norman Sylvester Band

Norman Sylvester is a soulful Portland blues cat who is on the right track. He is a fine singer and guitarist as well as a sensitive songwriter who brings a personal touch to universal blues themes. Born in Louisiana and armed with "the love of his music in his heart," Norman Sylvester is a Portland home-town favorite. With strong backing from his band and vocal assistance from the "Sweet Thangz," Norman Sylvester performs blues with style, grace, and last but not least, a big heart.
