Bus Service Reinstated

It is again possible to take a one-day bus excursion to the scenic Oregon coast.

"This round trip schedule reinstates the service discontinued last winter and provides needed tourist transportation along the Oregon coast," says Robert Krebs, intercity programs coordinator with the Oregon Department of Transportation.

The new bus route connects Portland to Lincoln City and runs south on U.S. Highway 101, making stops in 20 Oregon Coast towns along the way. Southbound buses depart Portland daily at 8:30 a.m. with northbound buses leaving Brookings at 10:10 a.m. Bus connections in larger cities also have been improved to offer access to Willamette Valley points, Grants Pass and Medford.

Krebs said that as well as supplying passenger service, the enhanced schedule provides a way of shipping small parcels throughout the region.

The bus service is operated by Greyhound Lines Inc. For schedule and fare information, call your local Greyhound terminal.

"WE DON'T THINK THEY SHOULD SMOKE"

That young people and smoking don't go together has long been the position of the tobacco industry. And the industry has recently launched aggressive new programs with the express purpose of putting cigarettes further out of reach of young people. Here's what we're doing:

- Supporting state laws that would prohibit the sale of cigarettes to those under the age of 18.
- Supporting state legislation to require supervision of vending machines in locations frequented by minors.
- Requiring cigarette ads on billboards to be at least 500 feet from any elementary, junior or senior high school or children's playground.
- Sharply limiting the distribution of product samples and premiums.

**IT'S THE
LAW**

WE DO NOT SELL
TOBACCO PRODUCTS
TO PERSONS UNDER 18

To help retailers enforce state laws prohibiting the sale of cigarettes to minors, we are providing a sign like the one shown here for display where cigarettes are sold. There is also a new booklet available from The Tobacco Institute for families with young children. It's called "Tobacco: Helping Youth Say No." It helps parents help their children resist peer pressure to smoke. For a copy write to R. J. Reynolds Tobacco Company, P.O. Box 1207, Winston-Salem, NC 27102.

R. J. Reynolds believes that these new tobacco industry programs will help young people understand that smoking is NOT part of growing up.
