## FOREST MANAGEMENT SPECIALIST

(Service Forester)

\$2455 - \$3272

The Oregon Department of Forestry is currently recruiting for Service Foresters. This announcement is to develop a list from which future vacancies throughout the state will be filled. Submit an application now if you wish to be considered for this job classification. The Service Forester assists non-industrial forest landowners in developing options for managing their property. This position prepares forest management plans, advises landowners regarding forest management activities, administers cost-share and incentive programs, and administers certain tax programs. Qualifications are: A Bachelor's degree in Forestry or related field (such as Wildlife Management, Biology, Botany, Plant Pathology); and two years of forestry experience in technical and professional forestry practices in one or more of the following areas: forest engineering; cruising timber including cruise design; participating in fire suppression and suppression activities; harvesting timber; reforestation, or young growth management.

Announcement closes August 22, 1991. Contact Department of Forestry Personnel Section, 2600 State Street, Salem, OR 97310, (503) 378-2565 for job announcement, test questions, and applications.
