## Miles Jaye

Miles Jaye Davis not only delivers the lyrics but is also the chief songwriter, producer and instrumentalist on his latest album, "Strong"

Miles Jaye Davis, is named after the legendary trumpeter Miles Davis and, like his namesake, he dares to be different. After

a childhood devoted to the violin, Miles Jaye went on to study at the Brooklyn Conservatory of Music, the Saratoga School of Orchestral Studies and Brooklyn College. He spent five years in the Air Force, a stint which gave him the opportunity to sign in the military's Top 40 Band. Upon his return to civilian life, Miles, who had by then mastered electric violin, hooked up with jazz guitarist Eric Gale. Check Out his third latest album titled

"Strong" it's an explosive album of considerable range.
