OWN YOUR HOME

We'll Show You How

Whether you're just dreaming of owning a home or you're ready to buy, First Interstate Bank would like to show you how.

Because at First Interstate, we're committed to revitalizing our neighborhoods through home ownership. And, through our Community Lending Center, we place a special emphasis on first-time home buyers.

The Community Lending Center offers potential homeowners a step-by-step approach to buying a home. We'll help you put together a plan to realize your dream of home ownership. We'll focus on finding the loan that best meets your needs and then assist you throughout the home loan process. And we'll provide information and support after your home loan closes.

We also sponsor community seminars on home ownership.

And if you already own a home we can help, too. We'll show you how to use the equity you've built up in your investment to make home improvements or repairs.

So when it comes to any aspect of buying, owning or maintaining a home, call First Interstate. We're here to show you how.

Fund Raising

Director of Annual Giving Lewis & Clark College Portland, Oregon

The Director of Annual Giving is responsible for fund raising activities involving alumni, parents and students. The Director is a senior member of the development staff and coordinates, motivates and supports the work of all Annual Giving Volunteers. Requires a bachelor's degree plus three to five years of annual giving fund raising experience, preferably in higher education. The successful candidate will have a proven track record for successful annual giving and fund raising, strong organizational skills, ability to work closely with volunteers, and an understanding of liberal arts and sciences education. Computerized records experience is helpful. Salary will be commensurate with experience. To apply, send letter of application including salary expectations, resume and three references to: Personnel Services, Lewis & Clark College, LC Box 72, Portland, OR 97219. For certain consideration, applications must be received by September 18, 1991. EOE

Data Processing

Senior Systems Programmer

Blue Cross Blue Shield of Oregon, a major health insurance company, is seeking a Senior Systems Programmer to assist in the technical support of an MVS/ESA operating system environment.

The Senior Systems Programmer should have extensive experience with all aspects of systems generation and maintenance of software products contained in a large IBM MVS/ESA environment as well as the ability to handle other duties which include:

- Analyzing complex system problems and applying appropriate fixes
- Maintaining a PR/SM environment
- Installing, maintaining, testing and documenting software program products
- Designing, implementing and maintaining new procedures which enhance the effectiveness of the mainframe environment
- Leading large technical projects as well as contributing as a team member on other projects
- Developing and supporting security interfaces between ACF2 and numerous software projects

To qualify, applicants must have a thorough knowledge of the MVS/ESA operating system with a minimum of 5 years of systems programming experience. Solid SMP/E experience, good debugging skills, excellent communication skills and a good working knowledge of ASSEMBLER is essential. A college degree is desired, but equivalent work experience may be substituted.

Blue Cross and Blue Shield of Oregon offers an excellent employee benefits package and competitive salary. Pre-employment drug screening required. To assure your resume is processed immediately, place ad 208 at the top of your resume or in your cover letter. Send resume to:
