Conceptual Engineering
Holman Redevelopment Area

The Portland Development Commission is soliciting proposals from firms interested in Conceptual Engineering - Holman Redevelopment Area. Firms who respond to this Request for Proposal should have experience in this area of work and be prepared to include in their proposal evidence thereof. Respondents may be interviewed as called for in this RFP.

Consultants shall investigate the existing development and infrastructure and present a plan for complete development of the site that provides for future infrastructure to accommodate the issues described in further detail in this RFP. This work is conceptual in nature, but must be complete enough to permit the consultant a basis for computation of quantities, costs, and schedules of the major elements involved.

The scope of work and submission requirements are described in greater detail in supporting documents available from:

Marlin Brinkley @ 823-3239
Portland Development Commission
1120 SW 5th Ave., Suite #1100
Portland, OR 97204

4 copies of proposal must be received by PDC no later than:
10:30 am, January 13, 1992

The Portland Development Commission encourages participation of Minority, Women and Emerging Small Business contractors in its projects.

Contractors must be certified by the City of Portland as an Equal Employment Opportunity Employer and be licensed to do business in the City of Portland.
