### Artificial Blood May Be Lifesaver of Future

(NUI) — Artificial blood may one day help save the lives of accident victims who need immediate transfusions.

Scientists are creating fluids that can be used safely by anyone - regardless of blood type - and can be stored much longer than blood. Such substitutes would reduce the nation's dependency on banked blood and eliminate the risk of viral contamination.

Because the molecules of these fluids are smaller than blood cells, artificial blood solutions are being considered as possible treatments for diseases such as stroke and sickle cell anemia, as well as for use during angioplasty procedures and to deliver oxygen to tissues through clogged or narrowed blood vessels.

317 NE Killingsworth St.  
283-4542 Fax 283-2977

Progressive Realty is strategically located in inner North/Northeast Portland. We are your Neighborhood Realtors, we live in the neighborhood, we know the real estate market out there. We are professionals equipped with tools and Agents to serve your neighborhood in both buying and selling real estate.

We contend that it is not necessary for the North/Northeast neighborhoods to take the neighborhood out of the neighborhood for buying and selling Real Estate. There are other great Real Estate Companies in Portland, but Progressive Realty is located in the neighborhood and can give you better service. We care about our neighborhoods and strive to circulate moneys earned at least two to three times in the neighborhood before leaving it.

Why not give Progressive Realty a chance to handle all your Real Estate needs. Call C.F. (Cliff) Richardson or any of the Agents in the company.
