Medical Claims Analysts

Blue Cross and Blue Shield of Oregon is currently accepting applications for Medical Claims Analysts. This position is responsible for accurate and timely payment of Blue Cross and Blue Shield of Oregon's medical claims. Experience necessary to perform this task will include:

- 1 year recent clerical work experience in a doctor's office of hospital setting
- Demonstrated knowledge of medical terminology and anatomy. This may be obtained through a classroom setting or office experience
- ICD-9/CPT-4 Coding
- A minimum of 6-12 months experience using a CRT in a production oriented environment
- Fast, accurate use of a 10-key calculator
- The ability to use written reference materials to resolve problems independently

Previous claims processing or insurance billing experience highly desirable. Starting salary \$1437/mo. Training classes will begin March 16, 1992.

Blue Cross and Blue Shield of Oregon offers an excellent employee benefits package, flex-time work hours, and competitive salary. Pre-employment drug screening required. To assure your resume is processed immediately, place ad #10 at the top of your resume or you may apply in person between 9am-4pm Monday-Friday.

Notice Of Opportunity For Public Hearing

Notice is hereby given that upon request by any interested person a public hearing will be held by the Tri-County Metropolitan Transportation District of Oregon (Tri-Met) at 3:30pm, Wednesday, February 26, 1992, at the Portland Building, 1120 SE 5th Avenue, Second Floor, Meeting Room C, for the purpose of considering projects for which state and federal assistance under the Special Transportation Grant Program is being sought. Anyone interested in requesting that a formal hearing be convened should contact Kim Manly, Tri-Met, Public Services Division, by phone at 238-5849, or in writing at 4012 SE 17th Avenue, Portland, OR 97202 by Wednesday, February 12, 1992.

Tri-Met intends to submit an application requesting approximately \$1 M (60% capital; 40% operating/planning/demonstration) under the State-administered Special Transportation Fund program for elderly and disabled persons. Grant funds would be used to purchase specially equipped vehicles and/or equipment, and provide transportation service to this special population.

Tri-Met's Special Transportation Fund Advisory Committee (STFAC) is currently reviewing funding requests. The STFAC will meet to make a final recommendation on project funding on Wednesday, February 19 at the Portland Building, 1120 SW 5th Avenue, Second Floor, Meeting Room C, from 9:50-10:50am. A sign language interpreter will be present. Any interested person may appear before the committee on this date and comment on the proposed application. The STFAC recommendation will be forwarded to the Tri-Met Board.

No persons, families or businesses will be displaced by this project.

This project is in conformance with comprehensive land use and transportation planning in the area and will be programmed in the Transportation Improvement Program.

A statement of Tri-Met's charter bus service is available for inspection at the Tri-Met Administration Offices.

Tri-Met will not be engaging in school bus operations.

Private transportation enterprise will not be directly affected by this project.

This project is currently under review by the state and district clearinghouses.

Tri-Met will afford opportunity for interested persons or agencies to be heard with respect to the social, economic and environmental aspects for this project.

A person requesting an interpreter for the hearing impaired shall give Tri-Met at least 48 hours notice of the request by contacting Tri-Met at 238-4952 or TDD 238-5811, Monday through Friday, 8:30am to 4:30pm.

A copy of the grant application for the proposed project and a transit development plan for the area are currently available for public inspection at Tri-Met, Public Services Division, 4012 SE 17th Avenue, Portland, Oregon, 907202.

Douglas L. Capps
Executive Director
Public Services Division

Request for Qualifications

Professional Services Qualifications
Due 10:00 am, Monday, March 3, 1992

The City of Camas is requesting submittal of professional qualifications for 1992 through 1995 services. The services to be rendered may include the areas of civil engineering, environmental, transportation, surveying, landscape, planning, architectural, geotechnical, electrical, and mechanical. Specific projects may include professional services associated with the development of storm sewers, sanitary sewers, environmental delineation, geotechnical studies, street improvements, traffic analysis, bridge inspections, and sprinkler systems.

The City will retain on file all statements of qualifications for consultant selection on specific projects. The final selection will be by the recommendation of the public works director to the City Council on each of the respective projects. Please submit general firm qualifications and experience. Staff members and resumes not to exceed 20 pages.

Submittal of qualifications will be accepted by the city clerk located in Camas City Hall, 616 NE 4th Avenue, PO Box 1055 Camas, WA 98607 until 10:00am, March 3, 1992.

Inquiries for additional information should be directed to Eric Levison, Project Manager, at the address above or phone (206)834-3451.

Notice Of Opportunity For Public Hearing

Notice is hereby given that upon request by any interested person a public hearing will be held by the Tri-County Metropolitan Transportation District of Oregon (Tri-Met) at 3:30 pm, Wednesday, February 26, 1992, at the Portland Building, 1120 SW 5th Avenue, Second Floor, Meeting Room C, for the purpose of considering a project for which federal assistance under Section 20 of the Urban Mass Transportation Act of 1964, as amended, is being sought. Anyone interested in requesting that this hearing be convened should contact Cynthia Weston, Tri-Met, Public Services Division, by phone at 238-4920, or in writing at 4012 SE 17th Avenue, Portland, OR, 97202 by Wednesday, February 12, 1992.

The proposed project is a Disadvantaged Business Enterprise (DBE) training program to enable DBE's to participate in contracting opportunities available through the Westside Light Rail Project. The training program will be designed to provide DBE's information on the procurement process, bonding, required certification and will include production of an informational video as well as workshops.

The total funding requested is \$187,500, of which \$150,000 is the federal share and \$37,500 is the local share.

No persons, families or businesses will be displaced by this project.

This project is in conformance with comprehensive land use and transportation planning in the area and will be programmed in the Transportation Improvement Program.

A statement of Tri-Met's charter bus service is available for inspection at the Tri-Met Administration offices.

Tri-Met will not be engaging in school bus operations.

Private transportation enterprise will not be directly affected by this project.

This project is currently under review by the state and district clearinghouses.

Tri-Met will afford opportunity for interested persons or agencies to be heard with respect to the social, economic and environmental aspects of this project.

A person requesting an interpreter for the hearing impaired shall give Tri-Met at least 48 hours notice of the request by contacting Tri-Met at 238-4952 or TDD 238-5811, Monday through Friday, 8:30am to 4:30pm.

A copy of the grant application for the proposed project and a transit development plan for the area are currently available for public inspection at Tri-Met, Public Services Division, 4012 SE 17th Avenue, Portland, Oregon, 97202.
