

# Les Femmes Forty First

## Debutante and Cavalier Ball 1992

### Let The Adventure Begin!

This year's work has demanded much from the Debutantes and Cavaliers. They have had to sacrifice to meet their commitments toward community service, social development, leadership training, academic excellence and education. They have responded positively. The support as family and friends has meant much. In their growth, the Debutantes and Cavaliers have touched the lives of many. Strengthening their cultural experiences, encouraging educational development and promoting social responsibility has enabled Les Femmes to recognize the unlimited potential and value of each Debutante and Cavalier. Accordingly, as their leaders, we have dedicated ourselves, our efforts and support towards helping them go forth with confidence to face new adventures.

#### Migraine Research Project

Do you have migraines every month? Have these migraines been happening for at least one year? Are you at least 18 years old, but not over 65? Are you generally healthy?

If so, Barbara Byrne, R.N.C. in the Department of Family Medicine would like to talk with you. We are looking for non-caucasian volunteers to participate in a research project testing the effectiveness of an investigational medication for individuals with migraine headaches. A limited number of caucasian patients will be included in the study. Volunteers will be compensated for time and travel.

Please call Barbara Byrne at 494-6607 or 494-7855 for more information.
