Section 00030 Advertisement For Bids City of Stevenson, Washington P.O. Box 371 25 Russell Street Stevenson, Washington 98648

Separate sealed Bids for the construction of wastewater facilities improvements will be received at the office of Public Works Director at 25 Russell Street, Stevenson, Washington 98648 until 1:00 PM daylight savings time, July 30, 1992, and then at said office publicly opened and read aloud.

Principal items of work include the following:

1. Schedule A Wastewater Treatment Plant

Construction of an oxidation ditch, two secondary clarifiers, pump building, plant drain lift station, ultra-violet disinfection facility, sitework, approximately 950 feet of 15-inch diameter pipeline for overland portion of outfall, conversion of an existing package treatment unit to an aerobic digester and upgrading the Rock Creek sewage pump station. Work shall be complete 280 days after Notice to Proceed.

2. Schedule B Outfall

Construction of approximately 1,600 feet of 18-inch diameter polyethylene pipe for a submerged outfall. Work shall be complete 180 days after Notice to Proceed.

3. Schedule C Kanaka Pump Station

Modifications to an existing sewage pump station including removal and replacement of duplex package pump system, and construction of a garage for an existing tractor mounted standby power generator. Work shall be complete 180 days after Notice to Proceed. This portion is non EDA and CBDG sponsored work.

Improvements will be received at the office of Public Works Director at 25 Russell Street, Stevenson, Washington 98648 until 1:00 PM daylight savings time, July 30, 1992, and then at said office publicly opened and read aloud.

Principal items of work include the following:

1. Schedule A Wastewater Treatment Plant

Construction of an oxidation ditch, two secondary clarifiers, pump building, plant drain lift station, ultra-violet disinfection facility, sitework, approximately 950 feet of 15-inch diameter pipeline for overland portion of outfall, conversion of an existing package treatment unit to an aerobic digester and upgrading the Rock Creek sewage pump station. Modifications to an existing sewage pump station including removal and replacement of duplex package pump system, and construction of a garage for an existing tractor mounted standby power generator. Work shall be complete 180 days after Notice to Proceed. This portion is non EDA and CBDG sponsored work.

This project is funded in part by federal grants by the Economic Development Administration (EDA) of the U.S. Department of Commerce and a Community Block Development Grant (CBDG). The EDA grant of \$1,000,000 and CBDG of \$500,000 together represent approximately 60 percent of the total estimated project cost. All work performed on this project will be subject to prevailing Davis-Bacon Wage Rates or the Washington State Department of Labor and Industries Wage Rate Decision, whichever is higher for each trade classification. The City of Stevenson is an Equal Opportunity and Affirmative Action Employer. Small, minority and Women-Owned firms are encouraged to submit bids.

The Contract Documents may be examined at the following locations:

City of Stevenson, 25 Russell Street, Stevenson, Washington 98648 Contact: Gail Collins (509) 427-5970

Kramer, Chin & Mayo, Inc. 7080 SW Fir Loop, Portland, OR 97223
