An Equal Opportunity Employer PUBLIC NOTICE DBE GOALS

Oregon Department of Transportation

It is the policy of the Oregon Department of Transportation that Disadvantaged Business Enterprises (DBE) as defined in Title 49 Code of Federal Regulations Part 23 and as it may be amended shall have the maximum opportunity to participate in the performance of contracts.

to carry out this policy, the Department has established an overall statewide goal for DBE participation for fiscal year October 1, 1992, through September 30, 1993, as follows:

| | |
|--|-----|
| Federal Highway Administration | 12% |
| Federal Railroad Administration | 3% |
| Urban Mass Transportation Administration | 10% |

Documents concerning the goals and a description of how they were selected are available for review until September 1, 1992, during normal business hours, Monday through Friday, 8:00 a.m. to 5:00 p.m., at these locations: Civil Rights Section, Oregon Department of Transportation, 111 Transportation building, Salem; Regional 1 office, 9002 SE McLoughlin Blvd, Milwaukie; Region 2 office, East Salem Highway Building, 2960 State Street, Salem; Region 3 office, 3099 NE Diamond Lake Blvd, Roseburg; Region 4 office, 63055 North Highway 97, Bend; and Region 5 office, 3012 Island Avenue, LaGrande.

The public may submit written comments on the goals until September 16, 1992. These comments will be used for informational purposes only and can be sent to: Harvey Lockett, Manager, Disadvantaged Business Enterprise and Emerging Small Business Programs, Civil Rights Section, Oregon Department of Transportation, 111 Transportation Building, Salem, OR 97310.

Public Notice

This announcement will serve as notice of Washington State Department of Transportation's (WSDOT) annual Disadvantaged Business Enterprise (DBE) goals for the year beginning October 1, 1992. WSDOT proposes an overall goal of 16 percent DBE participation in each of the following areas of its federally funded contracting opportunities:

Highways planning, research, design and construction projects funded by the Federal Highway Administration;

Public transportation planning, technical assistance, purchase of goods and services, and marine vessel refurbishments funded by the Federal Transit Administration;

Airports system planning projects funded by the Federal Aviation Administration;

Rail line rehabilitation projects funded by the Federal Railroad Administration.

In addition, WSDOT proposes an overall goal of 8 percent DBE participation in its concession leasing opportunities associated with federally funded marine terminals and vessels funded by the Federal Transit Administration.

This notice is published in accordance with the Code of Federal Regulations 49, Part 23, Subpart C.

The method used to establish the goals included consideration of past historical experience and statewide overall annual goals established by the State Office of Minority and Women's Business Enterprises. The support documentation for determining these goals will be available for inspection 8 a.m. to 5 p.m. at the Washington State Department of Transportation Building in Olympia, Washington, for 30 days following the date of this notice. WSDOT will accept comments on goals for information purposes only, until August 31, 1992. Written comments should be submitted to Harold G. Moss, Manager, External Civil Rights Units, Department of Transportation, Transportation Building, Olympia, Washington 98504-7350.
